

NOTICE.

The citizens and qualified voters in the city of Burlington will take notice of the new registration and election in the city of Burlington.

You are hereby notified that pursuant to the provisions of an act of the General Assembly entitled "AN ACT TO AUTHORIZE AND EMPOWER THE CITY OF BURLINGTON TO ISSUE BONDS TO OBTAIN FUNDS FOR THE PURPOSE OF ERECTING AND EQUIPPING PUBLIC SCHOOL BUILDINGS IN SAID CITY," an election will be held at the several voting places in the above named city on the 8th day of June, 1915 upon the proposition of the adoption of said act and determining whether said act shall become law applicable to said city. You will further take notice that an application in writing of sixty qualified voters of said city has been made to the Mayor and Board of Alderman, the said application requesting the order of a special election in said city upon the question of issuing bond of said city in the sum of \$40,000.00 for the purpose of erecting and equipping public school buildings in said city. That pursuant to said act and petition a special election has been ordered to be held on said 8th day of June, 1915 upon the question of the issuance of \$40,000.00 in bonds for the purpose of erecting and equipping public school buildings in said city, the said bonds, (provided the majority of the qualified voters of the said city shall have voted for the public school building bonds), shall be issued in the denominations of \$1,000.00 each carrying interest at the rate of five per cent. per annum, payable semi-annually, all of which bonds shall run for a term of thirty years. When said bonds shall have been issued they shall be sold by the Board of Alderman at the best price which they can obtain, not to be sold for less, however, than the par value of said bonds, and they shall use the proceeds of said bonds for the sole and only purpose of erecting and equipping buildings to be used as public school buildings in said city of Burlington, and said Board of Alderman shall keep accurate account showing the amount received for said bonds and the manner in which the same is expended.

This the 22nd day of April, 1915.

JAS. P. MONTGOMERY,
Secretary & Treasurer.

Whereas, the General Assembly of North Carolina of the year of our Lord One Thousand, Nine Hundred and Thirteen enacted "AN ACT TO AUTHORIZE AND EMPOWER THE CITY OF BURLINGTON TO ISSUE BONDS TO OBTAIN FUNDS FOR THE PURPOSE OF ERECTING AND EQUIPPING PUBLIC SCHOOL BUILDINGS IN SAID CITY," and whereas, said act thereof provides that an election shall be held for the purpose of determining whether said act shall become law; and whereas, on the 22nd day of April, 1915, a petition was presented to the Mayor and Board of Alderman, at a regular meeting of said Board, by sixty and a great many more than sixty, qualified citizens, taxpayers and free holders of the city of Burlington, asking that the said Mayor and Board of Alderman order an election on the question of issuance of bonds for forty thousand (\$40,000.00) dollars for the purpose of erecting and equipping public school buildings in said city.

Now, therefore, it is ordered that on the 8th day of June, 1915, there shall be held in the city of Burlington an election which shall be held in all respects as provided by law for the holding of elections for Mayor and Alderman of said

city and at which time all the voters who are then registered and qualified to vote, shall be entitled to vote for the purpose of determining whether it is the will of such voters that the aforesaid act shall become law and applicable to the said city of Burlington. Voters desiring to vote for the adoption of said act favoring the issuing of said bonds shall vote a ballot of white paper on which shall be written or printed the words "For School Bonds" and those opposed to issuing said bonds shall vote a ballot of white paper on which shall be written or printed the words "Against School bonds."

It is further ordered that a new registration of the qualified voters of said city be had and to this end the registrars herein-after named shall open registration books for this purpose in their respective wards on the 3rd day of May, 1915, the same to remain open for the registration of voters on each day in the week, Sundays excepted, from 9 o'clock A. M. to 6 o'clock P. M., until 12 o'clock noon on Saturday, the 5th day of June, 1915.

It is further ordered that notice of said new registration and election be published thirty days prior to the holding of said election and once a week thereafter until said election is held, and that said notice be published in some newspaper of general circulation in the city of which notice shall state the date on which said election shall be held, the amount for which it is proposed to issue bonds, how long said bonds shall run, the rate of interest to carry and the purpose to which the proceeds of bonds shall be applied.

It is further ordered that the said bonds shall be issued in denominations of \$1,000.00 each and shall carry interest at the rate of 5 per cent. per annum, payable semi-annually, all of which bonds shall run for thirty years.

It is further ordered that B. M. WALKER be, and he is hereby appointed registrar for the First Ward, and that S. G. MOORE and H. K. HALL be and are hereby appointed inspectors for the First Ward; that L. J. FONVILLE be, and he is hereby appointed registrar for the Second Ward, and that GEO. SMITH AND F. W. HAWKINS be, and they are hereby appointed inspectors for the Second Ward; that RICHARD SEYMOUR be, and he is hereby appointed registrar for the Third Ward, and that J. A. IRELAND and Y. S. MILES be, and they are hereby appointed inspectors for the Third Ward; and that J. T. WELCH be, and he is hereby appointed registrar for the Fourth Ward, and that R. A. FREEMAN and C. B. WAY be, and they are hereby appointed inspectors for the Fourth Ward.

This the 22nd day of April, 1915.

JAS. P. MONTGOMERY,
Secretary & Treasurer.

Many millions of dollars will be expended in this country this year that are usually expended abroad. While all kinds of business in Europe will feel this, and some of it will be a long time recovering, it ought to be a good thing for pretty much all hands in America. Every dollar expended here is just so much to help our own people, so many of whom need help in these Democratic times.

After all, it doesn't appear that anything is happening to China that it cares to worry much about. The embargo which Italy and Greece have put on olive oil will not seriously bother this country as long as there are so many people who cannot tell the difference between olive oil and cotton seed oil; and the latter is the cleaner product anyway.

The denials by Carranza, Villa and other distinguished swashbucklers that there is disorder in Mexico is received in Administration circles in Washington with profound gratitude. As viewed from Washington Mexican conditions at their worst are only psychological, anyway.

WILLS CENT TO EACH CHILD.
Parental Blessing Goes With Bequest From \$15,000 Estate.
Dr. Tyler G. Cooke, of 40 Elm street, Richmond Hill, and his sister, Margaret Gordon Cooke, a nun in St. Mary's Convent, Peekskill, receive by the will of their father, William J. Cooke, 1 cent each and the parental blessing. The remainder of the property, estimated at \$15,000, goes to the testator's widow, his second wife. The will, filed with Surrogate Noble in Jamaica, explains that the children were provided for before the will was drawn. Dr. Cooke said his father had made generous provision for him in his lifetime.

MY AUTO, 'TIS OF THREE.
Some fellow poetically inclined has broken into print with the following effusion: "My auto, 'tis of thee, short cut to poverty—of thee I chant. I blew a pile of dough on you two years ago and now you refuse to go, or won't or can't. Through town and countryside, you were my joy and pride; a happy day. I loved thy gaudy hue, thy nice white tires so new, but now you're down and through in every way. To thee, old rattlebox, came many bumps and knocks; for thee I grieve. Badly thy top is torn, frayed are thy seats and worn; a whooping cough affects thy horn, I do believe. Thy perfume swells the breeze while good folks choke and wheeze, as we pass by. I paid for thee a price, 'twould buy a mansion twice, now are all peddling "ice"—I wonder why? Thy motor has the grip, thy spark plug has the pip and woe is thine. I, too, have suffered, chills, ague and kindred ills, endeavoring to pay my bills since thou wert mine. Gone is my bank roll now, no more 'twould choke the cow, as once before. Yet if I had the man, so help me, John—amen, I'd buy a car again, and speed some more—Selected.
He should have bought a Ford—Editor.

JUSTICE FOR WAR BABIES.
Woman Writer Calls Upon Britain to Enact Laws Norway Has.

There is but one righteous thing for England to do. She has encouraged the loveless marriages of "war brides to assure herself future soldiers. She has been unable to prevent the women of other fighting nations from having motherhood monstrously forced upon them. She has uttered no word of protest when Fellows of the Royal Geographical society of London have publicly advocated polygamy as the only hope of repopulating Europe after the war.

England, then, should stop peddling pale, pink patten about forgiving war mothers. She should study a law that has lately been enacted in Norway, then command parliament forthwith to pass a similar one—a law giving the so-called illegitimate child the right to bear its father's name, if the mother so wishes; a law giving that child equal rights with children born in wedlock in all matters of inheritance—and of war relief.

Then England can safely leave it to God Almighty to forgive the war mothers.
