### FOUR INDIVIDUAL EXECUTORS.

In Pittsburgh, four men were in prison at same time, charged with having misappropriated Trust Funds. It may be some satisfaction to put men in jail after they have done these illegal acts—but that does not bring the money back. Isn't it wiser to appoint the Trust Company as your Executor and Trustee, where your Trust Funds are kept separate—are under the watchful eye of the law at all times—and protected by Recourses much larger than most individuals possess. May we serve you.

## UGH! CALOMEL MAKES YOU SICK. DON'T STAY BILIOUS, CONSTIPATED

"Dodson's Liver Tonic" Will Clean Your Stomach Better Than Calomel and Can Not Sicken.

Calomel makes you sick; you lose a day's work. Calomel is quicksilver and it salivates; calomel injures your liver. If you are bilious; feel lazy, sluggish and all knocked out, if your bowels are constipated and your head aches or stomach is sour, just take a spoonful of harmless Dodson's Liver Tonic instead of using sickening, salivating calomel. Dodson's Liver Tonic is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful; full of energy, vigor and ambition.

Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tonic under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Dodson's Liver Tonic because it is pleasant tasting and doesn't gripe or cramp or make them sick.

I am selling millions of bottles of Dodson's Liver Tonic to people who have found that this pleasant, vegetable, liver medicine takes the place of dangerous calomel. Buy one bottle on my sound, reliable guarantee. Ask your druggist about me.

### SOBER, QUIET, INNOCENT CAMELS.

The sober, quiet, innocent-looking camels are always objects of no little interest. With the herd in the Robinson Famous Shows, which are billed to appear at BURLINGTON, N. C., Saturday, September 25th, are to be found some of the finest specimens ever exhibited in this or any other country, including the only living baby wild black camel known to man, its mother having died upon its birth. While a party of hunters were in the high and cold regions near the lake of Lobmar last December, in search of rare animals for the Robinson Famous Shows, the men sighted a small number of wild camels, and, singling one from the number, succeeded in capturing it. Never having seen the like before, the collectors became fired with the desire to show them to the Robinson Famous Show patrons, but were not successful in showing the original of the capture, but a baby camel, that bids fair to be as vicious as its mother. The beast is now giving its keepers no end of trouble, and all kinds of difficulties are daily encountered. Scientists and all students of natural history will

find this untamable quadruped an interesting study.

### STILL FOUND NEAR VANDERBILT HOME.

Moonshiners' Outfit Discovered Within Sight of Great Private Estate.

Asheville, Sept. 19.—Doubtless believing that raiders would never suspect that whiskey was made illegally within a short distance of the Biltmore mansion on the estate of Mrs. Edith S. Vanderbilt, moonshiners have done big business in a secluded spot within sight of the most elaborate residence in America.
