The board of aldermen elected last Monday is decidedly dry, while the mayor is said to be wet.

The Woman's Christian Temperance Union will meet at the First Baptist church next Monday afternoon.

The Sisters of Relief have our thanks for an invitation to attend their picnic yesterday. Mrs. Isabella Coaker is president.

Our city tax collector, clerk and treasurer, cemmetery keepers and street commissioners were all re-elected without opposition.

The mortuary report of our city for April shows that there were among the whites eleven deaths and among the colored twelve.

Some of the riprorious, rantankerous, radical republican ringtail rousers "flunked" last Monday for one dollar a piece. They are spotted.

Ward 2 did well and they had the endorsement and support of many of the best element of the wihte citizens. It sends up two colored aldermen.

We are glad to see that Mr. Simpson Bradley, the polite and efficient keeper of Pinewood cemetery, was reelected without opposition.

The elections in the cities and towns throughout the State last Monday went democratic pretty generally. Asheville is the only town yet heard of electing a republican mayor.

It is said that about twenty-sixmechanics left the city last Tuesday for Atlanta to work on the cotton seed oil mill to be built there. They were mostly colored men.

Chicago has a republican mayor and aldermen. They have recognized the colored vote by appointing a colored clerk to one of the police courts. R. M. Mitchell'is the name of the young man, They expect other appointments.

We are told that certain whiskey interests furn shed meals and drinks to voters last Monday on Ward 2. That a certain man was cooking for it nearly all day last Sunday. And all this to make colored men vote against their own ticket.

Next Monday the board of aldermen are to elect a chief and other policemen. The entire city is much interested in the selection of these men. We trust a good chief and officers will be elected, who do not believe in clubbing when it can be avoided.

On last Sabbath afternoon Bishop Lyman visited St. Michaels Church and preached a very impressive sermon, and confirmed nine candidates. The church was crowded, and all were well pleased with the services. There were a number of white friends

The Gazette publishes a list of twenty-seven weekly and daily newspapers taken and paid for by a colored man in this State. He does well, and Clinton Chapel, (A. M. E. Z.) Mint St. the world ought to know his name. Every reading colored man or woman ought to take two or three papers, and especially those published by and in the interest of our race.

> "The Messenger," seems to be the choice of names of late. Wadesboro started one 3 or 4 weeks ago, and now Fayetteville has started one. Our friends will keep in mind that the CHARLOTTE MESSENGER is still the favorite with the colored people. The Church Messenger, Goldsboro Messenger, Wadesboro Messenger and Fayetteville Messenger are printed by our white brethren.

E. M. Collett will preach a sermon on Temperance at three o'clock P. M. to-morrow, and will exhibit nine charts of the human stomach, which will illustrate the growing effect of strong drink on the stomach. And title with credit to himself and his will illustrate with the white of an people. egg the effect of alcohol on the albumen of the blood.

That Blue Mark.

We send out a great many papers this week with a blue cross mark. To all receiving such we say, your subscription is due, please send us what you can, and as soon as you can. Don't wait to get more; the times are hard with us, and while we do well by you. do the best you can by us. If we cut off a sufficient number to save \$3 or \$4 a week it would help us much, but we want to continue all.

Whiskey Men as Leaders.

Did the colored voters take notice and will they remember next June the part played in the election last Monday by the leading whiskey men of the town? On ward 2 they united against the colored men, because they said the ticket was too dry, (though they would say to white men it is too black.) Vanlandingham and McWhirter are leading anti-prohibitionists, and yet they got up the scheme, and did all in their power to defeat Hagler and Schenck, and give us a board without a nigger on it.

On ward 3 the same class of antiprohibitionists united with the prohibitionists to defeat the "nigger" ticket, though every man on it was a pronounced anti. McNinch, Adams, Brown and other anti's put in harder threatening note had been sent to the than McAden.

Will the colored men of wards 2 and 3 forgive and forget before the first Monday in June? Let them learn who their friends are. Let them follow the lead of such men no longer. Let them look to their personal interests, as do the men they have been following. Colored men, it is time you were learning something. These white men have an object in view. Have one yourselves.

Two Notes Did It.

It seems that a few weeks ago a note was found in the yard of a white family | Tinware, etc. at McAdensville, addressed to a female member of the family and a colored man was suspected, arrested and put in jail. There was no name signed to the note, but it "looked like" the writing of the party jailed. There was bad talk about what might happen | Each visitor will receive a Souvenir. to the man. His sister wrote him a note trying to console him and in addition to her own name signed the name of Mr. Thomas Hunter. The wife took the note to the jail, but it was captured by the sheriff and the Clocks, - Spectacles, newspapers published that a dangerous and quicker blows against us that day sheriff by Mr. Hunter. There was nothing incendiary in the note, neither was it written by Mr. Hunter, nor to the sheriff, but was written by the sister to the prisoner, telling him that Mr. Hunter would try to get him out West Trade Street, Charlotte, N. C. of jail. It is to be regretted that a man's name is ever used in a way as to injure him, as Mr. Hunter has been injured by the daily papers. He is an honest hard working law abiding
