ANNEXATION OF CANADA.

The present agitation concerning the relations between Canada and the United States recalls the time when the annexation of that country was proposed to be brought about by force of arms.

It was Colonel Warner who twice conducted his men safely home, though the march was constantly surrounded by dangers. Once Montgomery sent them home because their time was out, and though they were willing to continue in service, they were without sufficient clothing, and none could be had in that country.

Colonel Warner had hardly arrived home before he heard that Montgomery had been killed, and the cause, as well as the lives of the men, was put in great jeopardy.

When Tecumseh was reached and the roll called, thanks to Seth Warner, but few were left. Col. Warner saved the lives of hundreds of men in this way, and he did a noble work, but it remained for his namesake, H. H. Warner, head of Warner's Safe Cure Establishment, to give the same kind of remedies then used to the people of today.

Among the new remedies is a Sarsaparilla for the blood, Hops and Buchu for the stomach and digestion, Cough and Consumption Remedy, Scalpina for the head and hair, Ross Cream for the terrible disease, catarrh, a Loz Cabin Liver Pill, a Loz Cabin Pleaser, and an Extract for internal and external use.

THE GREAT REMEDY FOR PAIN. Cures Rheumatism, Neuralgia, Sciatica, Lumbago, Backache, Headache, Toothache, Sore Throat, Swellings, Bruises, Cuts, Burns and Scalds.

WHAT IT IS.

1st. It is in one word a cure; it is not merely a relief and in no sense a cure-all; it is the product of scientific research.

2d. It strengthens while it soothes and subdues, chills, heals and cures; it literally conquers pain.

3d. Its effects are curative and permanent to the whole group of muscular miseries and nervous agonies.
