CONCORD GETS HER WISHES FROM THE SOUTHERN

Continued from Page 8. No. 43, which will be made a regular stop. The work on the new depot will begin as soon as the plans and location are decided upon. This matter will be presented to the citizens and it is very likely that they will be determined upon without the slightest friction.

Mr. Foreacre said that he appreciated the fact that the people of Concord had been patient with his company during the time they have been building a double track and making other improvements on the line, and added that the road would always be willing to comply with every reasonable request made by the people here.

There is universal rejoicing here over the fact that the city is to have a new depot and that the matter has been so harmoniously settled.

Dick Miller, of China Grove, well known in baseball circles of his section, was a visitor in the city yesterday. Miller has just finished the most successful season of his baseball career with the Savannah team of the South Atlantic League. He hit in the select circle of .300 and ran bases and fielded with the best of them. He made a record of playing in every inning of every game and was not taken out on time to allow anyone to bat for him. Miller's work attracted the attention of the big league scouts and he was much sought after in the draft, the Chicago Cubs landing him.

A number of Concord people went to Locke Hollow, near Sugar Creek church, Mecklenburg county, to-day to attend the unveiling of a monument in memory of Lieutenant Locke, a native of Rowan county, who was killed in the Revolutionary war. Lieutenant Locke was a great-great uncle of Mr. and Mrs. J. P. Allison, Mrs. J. M. Odell, Mr. J. Locke Erwin and Mr. R. E. Gibson, who with Mrs. A. E. Lents, Miss Lizzie Young and Mr. Frank L. Smith also his descendants, attended the unveiling.

Several months ago Sheriff Honeycutt seized 62 1-2 gallons of liquor and 50 dozen bottles of beer while it was en route from Kannapolis to Concord on the Kannapolis road. A Hatke, a liquor drummer from Richmond, claimed the fluids and made an effort to recover it but the court decided against him. An order was made by the commissioners allowing the chairman of the board to dispose of all liquor seized by the county officers. Several days ago Hatke made an offer of \$100 for the stuff which the chairman accepted and to-day he closed the deal, buying back his own liquor. He is having it shipped away to-day. The money derived from its sale goes to the school fund.

Small Deposits Wanted

WE ENCOURAGE them because many large accounts began in a small way. The small depositor of to-day becomes the large one of the future. More people would be bank depositors if they realized how it would help in building their credit and their success. Opening a checking account here is the first step towards financial growth. Start now and follow in the footsteps of the successful people who do business with us.
