SALARY LIMIT RAISED, PLAYER LIMIT REMOVED AND CLUB FORFEIT DOUBLED

Action taken by the directors of the Carolina Baseball Association at its meeting here Tuesday has come to light through Mr. E. G. Sherrill, who represented the Greensboro club at the meeting in an interview in The Greensboro Record, that for some reason was not given out for publication at the meeting here. After the secretary's report and other matters pertaining to the past season had been disposed of, plans for the coming season were discussed and action taken in several important changes. According to Mr. Sherrill the salary limit was raised from \$1,200 to \$1,400 and the clubs are not limited to any number of players, but may carry as many as they see fit. But by far the most important action was the raising of the forfeit limit tax from \$500 to \$1,000, and requiring that this amount be paid into the association by October 15, in order that the association may know what towns wish to remain in the league, and if any are to fall out to select a successor to same. Several new towns made application for a berth in the association, but their applications could not be acted on at this meeting for the reason that there was no vacancy. With the enforcing of the posting of the forfeit by October 15 there may possibly be one or more vacancies, as it is known that some of the towns were mighty wobbly in the last days of the past season, and are not in shape now to post the forfeit, which means that they will be forced to give up their berth to some more fortunate town. Wilmington and Asheville are both very desirous of getting into this company, and both are good baseball towns. The city by the sea has always been a good town for the sport and held up the Eastern Carolina League during its existence. But what it would do with a fall-ender in this association is problematical. Asheville is a good ball town also and would do better, perhaps, than some of the towns in the league. Present composed, but each have the same objectionable feature—they are "I have a world of confidence in Chamberlain's Cough Remedy for I have used it with perfect success," writes Mrs. M. I. RACE BETWEEN GIANTS AND CUBS IN THE LAST LAP

By Associated Press. CHICAGO, Sept. 30.—While New York is planning to hold the world championship series with the Philadelphia American League baseball team and the National Baseball Commission is preparing a schedule for the event, the Chicago club of the National League is gathering itself for a last desperate effort to wrest the league title from New York, which is now five and a half games in the lead for the pennant. The first move in this struggle is the game scheduled for Chicago and New York this afternoon. Two games of the series of four were played Wednesday and Thursday and the other two are slated for to-day and to-morrow. Chicago, to-day and to-morrow, Chicago has won both games played and while Manager Chance hoped to make it four straight, Manager McGraw of New York, believed that the Eastern team would be able to split even. Following yesterday's pause in the crucial series, the men who were stricken by the rain that fell on their Thursday found to-day rather crisp temperature. Each team seemed confident before the battle. New York has only to win seven of its remaining fourteen games to clinch the pennant even if Chicago wins all its games. Seven of New York's games are with Brooklyn which team the leaders have repeatedly defeated. Brooklyn also is largely responsible for the present position of Chicago, having defeated Chicago 13 times in 22 games.

CAROLINA PULLS OFF HER FIRST SCRIMMAGE GAME

Some Weakness Shown in Line-Up But It is Thought This Will Be Overcome at an Early Stage of the Season—Lyonism Course Entertainment To-Night—Class Organizations During the Week—Law Class Organized. Chapel Hill, Sept. 30.—The first football scrimmage of the season was pulled off Wednesday between two picked teams from the squad. Both teams showed up well for the first time, although they were rather slow in getting off on the new plays and signals. From all indications this year's team will be a light, but fast one. A number of men are already showing "varsity" quality, among whom some of the most prominent are: Coffin, as a half back; Tillet at quarter; Winston as a half; Wakeley and Erwin as halves; Small and Abernethy as tackles; Applewhite and Manning as ends; Deaves and Crutchfield are playing hard for the position of center. So far, no very heavy guards have shown up, but there are plenty of middle-sized men who will serve the purpose. The senior class held its meeting last Friday and elected the following officers: R. A. Freeman, president; A. W. Graham, Jr., vice president; W. D. Barbee, secretary and treasurer; A. H. Graham, historian; F. H. Gwyn, prophet; John Whitaker, writer of last will and testament; Blake Isely, statistician; Claude Teague, orator; F. B. Drans, class representative; T. M. Price, manager of football team. The first star course concert of the season will be held in Gerrard Hall to-night. The Edwin R. Weeks Company will give this concert. This company was here last year and was considered the best attraction of the season. The Sigma Alpha Epsilon fraternity initiated Tom Guthrie last Saturday night. The law class elected the following officers last Monday: S. P. McLondon, president; E. T. Canster, vice president; W. C. Woodward, secretary and treasurer; W. L. Small, constable; C. D. Hogue, council representative and W. C. Coughenour judge of the moot court. The junior class elected the following officers last Saturday: President, R. O. Huffman; vice president, B. H. Mebane; secretary, D. L. Rights; treasurer, J. G. Caldwell; class football manager, Roland Williams; historian, M. L. Ritch, poet, J. L. Covington. The sophomore class held a meeting in chapel Tuesday and elected the following officers: President, C. E. Blackstock; vice president, J. L. Chambers; secretary, L. L. Abernethy; treasurer, R. C. Spence.

IDEAL DAY FOR MANY GAMES ON EASTERN GRIDIRONS

By Associated Press. od with a light but speedy team from weather gave an ideal setting to-day for football games on a score of eastern gridirons. Harvard, Yale, Princeton, Pennsylvania, Cornell, Dartmouth and many of their lesser brethren figured in the afternoon's offerings. Interest centers at Cambridge, where Harvard initiates there the 1911 campaign with Bates College. Princeton's season is officially opened with a light but speedy team from Stevens, while Pennsylvania has an apparently easy opponent in Gettysburg. Yale versus Holy Cross—the latter college with a strong aggressive eleven of mostly veteran players, seemed likely to furnish one of the tussles of the day. Cornell versus Colgate and Dartmouth versus the Massachusetts "Argies" were declared foregone conclusions by most of the football fans. The eleven of the army and navy were practically the only eastern teams that did not have a public test on the chalk-barred field to-day. The leading games scheduled for to-day were as follows: Cambridge, Mass.—Harvard vs. Bates. New Haven, Conn.—Yale vs. Holy Cross. Princeton, N. J.—Princeton vs. Stevens. Philadelphia — Pennsylvania vs. Gettysburg. Ithaca, N. Y.—Cornell vs. Colgate. Hanover, N. H.—Dartmouth vs. Massachusetts "Argies." Providence, R. I.—Brown vs. New Hampshire State. Syracuse, N. Y.—Syracuse vs. Hobart. Amherst, N. H.—Amherst vs. Springfield. Williamstown, Mass.—Williams vs. Rensselaer. State College, Pa.—Pennsylvania vs. Geneva. South Bethlehem, Pa.—Lehigh vs. Western Maryland. Easton, Pa.—LaFayette vs. Ursinus. Carlisle, Pa.—Carlisle vs. Dickens.
