## Thin Men and Scrawny Women Can Gain a Pound of Good, Solid Flesh Daily

### Money Back In Any Case Where Samose Fails To Increase the Weight

#### WEIGH YOURSELF BEFORE USING.

Weigh yourself before commencing to use Samose, the great flesh-forming food. The wonderful sale on this preparation since first introduced in Charlotte and the remarkable results following its use have made Jno. S. Blake Drug Co. such enthusiastic believers in the great value of Samose that they give their personal guarantee to refund the money if Samose will not make thin people fat and restore health and strength to those who use it.

This is a strong guarantee, but they have seen so many of their customers who a few weeks ago looked like walking skeletons become plump and well through the use of Samose and they feel they cannot say too much to induce people to try it.

This marvelous flesh-forming food is assimilated as soon as it is taken into the stomach, makes good rich blood, tones up the weakened system, helps to assimilate the food and makes the user plump, well and ruddy.

#### HOW TO GAIN HEALTHY FLESH.

Jno. S. Blake Drug Co. Advises Thin Folks to Use Samose.

While thinness may not be a disease, yet it is in reality a condition that needs attention. Under the nourishing power of Samose healthy, natural flesh will soon be attained.

This remarkable flesh-forming food strengthens the system generally and builds up the fleshy tissues so that good, natural plumpness results.

An ounce of flesh is better than a pound of theory. Jno. S. Blake Drug Co. believe that the best possible demonstration of the flesh-forming powers of Samose is to have it tried by their customers and to induce them to use it, he offers to pay for the Samose in case it does not give satisfaction. No stronger proof than this can be given of their faith in it. They have seen hundreds who were weak, thin and scrawny, become plump, robust and strong, solely through the use of Samose. Ten days' treatment 50c.

#### THIN FOLKS MADE FAT.

Good, healthy flesh can only be gained by the use of the proper food, together with natural action of the organs of assimilation. Nine people out of ten in order to weigh as much as they ought and be perfectly healthy, should use Samose, the great flesh-forming food and health restorer. Weigh yourself before commencing to use these little tablets, and see how your weight increases from week to week. Large box for 50c.

Samose does not contain a particle of starch or pepain, nor is it any nauseating preparation, such as is usually recommended to make people fat, and which does not build up good healthy tissues. Samose has valuable and strengthens the whole system, helps the food that is eaten to be assimilated in a natural manner and absolutely restores health to all the organs.

If you are not perfectly satisfied with the results from Samose, Jno. S. Blake Drug Co. will return your money without any quibbling.

DR. E. K. HARDIN

#### FINE DISCOURSE BY REV. DR. HARDIN

The sermons of Dr. E. K. Hardin, which have been delivered during the past ten days at Trinity Church have all been of unusual merit. The discourse last night was masterful. The thought "Almost a Christian" was traced back in the life of the splendid "Rich Young Man" whose fine character and natural gifts were such that he almost instinctively ran to Jesus, who, looking upon him, loved him. But the demand of Jesus to him, as to all, was unconditional surrender. The young man "Almost a Christian" turned regretfully into the barren unknown.

of Felix, trembling, exclaimed, "Almost thou persuadest me." But sadly the tragedy turns, the opportunity vanishes and the soul so near the gates of life is pressed into the dungeon of death by the bars of selfishness.

It is hoped that there will be a large attendance this evening at 7:45 as that service may be the closing of the series.

**Head the Cough that Hangs On.**

The seeds of consumption may be the cause, and a cough that hangs on weakens the system. Foley's Honey and Tar Compound checks the cough, heals the inflamed membranes and strengthens the lungs. E. D. Rountree, Stillmore, Ga., says: "Lagrippe left me a deep seated, hacking, painful cough which Foley's Honey and Tar completely cured." Bowen's Drug Store, e.o.d.

### Not A Fair Test

Mr. Man reader, perhaps you are like a number of other fellows who have worn tailored clothes made up by some tailor or other that made them without regard or care. A tailor located here one season and somewhere else the next—never figuring on satisfying a customer or trying to make "a repeater" of him. If this fits your experience you have yet to give Modern Tailoring a FAIR TEST.

This test can be made right here in our shop. And what's better you have our own guarantee, as to fit and satisfaction, to back it up. Others are testing our tailor work every day and we are making "repeaters" of them right along. We have got to satisfy. We are in the tailoring business to stay. That's reason enough.
