up.

He Creates a Big Commotion at Columbia.

COLUMBIA, S. C., July 6.-There is a prospect of a big row here over the way Evangelist Leitch is conducting his meetings which have been going on here during last week. On very peppery references to the ministers of the city in the way of rebuke for not attending the meetings, his remarks being particularly directed toward the Methodists, under whose auspices the meetings are held Among the remarks he has recently made are these: Referring to the luke warmness of the Columbia ministers, he said: "They are like cooters and require a coal of fire to move them. They draw their \$1,000 per year and do nothing to save these souls here from damnation."

Referring to the Episcopalians, he fall.' said, "Oh, just pull a few hairs out of their head and you'll find dog meat."

"I don't know, but, I presume, on the second day of the session of State Alliance, which the will be about the 22d of July." since he left the State?"

"Only through the newspapers. but when I was at Cedar Springs last week I mentioned the matter to some of the leading Alliance men in Spartansburg, and they said there would be a large crowd present and they wanted the discussion to be in publie."

"What arrangements have been nade for the meeting ?"

"None that I know of, but I preame that President Stockes and the Spartanburg Alliance will take the necessary steps to prepare for it."

"Have you any idea of the result of this discussion ?"

"Of course not; except that the dissussion is to take place, in public, and that the State Alliance will take a vote on it in secret as they do on all matters affecting our Crder. I hope to show that the Alliance in South Carolina cannot afford to press the Sub-Treasury scheme, but as the state of religious enthusiasm and it deserve a good deal recreation after measure has been endorsed by the Ocala meeting and by our State Alliance I may, and probably will,

#### Killed by Lightning.

Mr. M. L. Manus and child were killed by lightnight on Monday even ing, June 29th, while sitting in the house. Mr. Manus was sitting by the fire place with the child, about four years old, in his arms, when the stroke came down the chimney killing both him and the child. The chimney is a double or partition one. Two older children were in a few feet of Mr. Manus, his wife was standing in a partition door at a short distance, while the youngest child, an infant, was lying on the bed in the opposite room, all being unhurt.

"God moves in a mysterious way, His wonders to perform.'

The bereaved widow left with three childen, (the oldest, a boy of ten years) surely deserves much sympathy from the community.

Mr. Manus was an honest, hard-
