### A Smart Lot of Women.

New York Sun: It must be admitted that the speakers at the Women's National Council, which is holding its sessions in Washington this week, have not been lacking in independence of opinion. In debating questions they have not been afraid to differ from each other or to give expression to their varying views. Some of them have been cheered by the feminine audience, while others, including even the renowned Mrs. Louse, of Kansas, have been hissed. In the adoption of lines of policy a great deal of shrewdness has been displayed at times. A number of the speeches have been rather too florid or romantic or sentimental for business purposes, but they gave pleasure to their hearers as well to those who delivered them. It has been made evident by the proceedings of the past four days that there are many delegates of talent and judgment at the Women's National Council.

### Iowa Farmers to Nominate a Ticket.

Sioux City, Iowa, Feb. 25.—The Eleventh Iowa District Farmers' Alliance conference is in session tonight. It was resolved to apply the secret rules of the order to the Iowa Alliance, to put a full State ticket in the field in Iowa this fall, and to continue to adhere to prohibition and a low tariff. President Farver will probably be the Alliance candidate for governor.

### Cheap Freight for Farmers.

Lincoln, Neb., Feb. 26.—A stringent maximum railroad freight bill has been passed by the House by a vote of 79 to 17.

### Specimen Cases.

R. H. Clifford, New Cassel, Wis., was troubled with neuralgia and rheumatism, his stomach was disordered, his liver was affected to an alarming degree, appetite fell away, and he was terribly reduced in flesh and strength. Three bottles of Electric Bitters cured him.

Edward Shepherd, Harrisburg, Ill., had a running sore on his leg of eight years standing. Used three bottles of Electric Bitters, and a and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well.

John Speaker, Catawba, O., had five large fever sores on his leg, doctors said he was incurable. One bottle Electric Bitters and one box Bucklen's Arnica Salve cured him entirely. Sold by Burwell & Dunn's drug store.

### To the Suffering.

Over one hundred columns of voluntary certificates have been printed in the Atlanta Journal from such people as Rev. J. B. Hawthorne, Rev. Sam. P. Jones, Hon. H. W. Grady, Maj. Chas. W. Hulmer, late of the "Christian Index"; Gen. James Longstreet, Col. W. Avery, late editor Atlanta "Constitution"; and hundreds of prominent divines, editors, doctors, specialists and others, certifying to remarkable cures performed by Dr. King's Royal Germetuer, after eminent physicians and all known remedies had failed. Send two-cent stamp to King's Royal Germetuer Co., Atlanta, Ga., for book of particulars. It is truly a great remedy, and cures when all else fails.

### "Destitute Mecklenburg Veterans."

Mecklenburg Camp always has on its rolls a dozen or more indigent comrades, and is also often called on to aid needy Confederates stopping over or passing here. We likewise have now the entire charge of the "Memorial Services of May 10th," turned over to us by the Ladies of Charlotte. To meet all these outlays of time and money, we also guard against other possible contingencies by imposing on the old soldiers themselves an addition of labor and expense hardly consistent with their rights as "Veterans," or the profession of gratitude and pride for their past sacrifices and sufferings.

But the ladies of Charlotte have resolved that these things must not be. And they have suggested a measure of relief at once effective and practical. It combines in one all a number of small contributions and a few liberal subscriptions for long periods as a basis for a "Permanent Veterans' Fund." The Executive Committee promise that every dollar so raised shall be carefully guarded and wisely applied.

Mrs. W. B. Gooding, Mrs. Jno. E. Brown, Mrs. J. H. Waddington, Mrs. Meriot Clark, Miss Lula Springs and Miss Maggie Taylor, with such assistance as they may be able to secure will undertake the call for both city and county. But, of course, all really desirous of aiding, will, as far as possible, see to the lists for themselves, and save the ladies much personal trouble.

Printed lists may be had of W. B. Taylor, treasurer, 22 West Trade street, who will also take the names of contributors and of any willing to solicit.

R. BARRINGER, Ch'n.

D. G. MAXWELL, Sec'y. Feb. 26, 1891.

### Interstate Alliance Convention.

Sioux City, Feb. 25.—The Farmer's Alliance men of Iowa, Minnesota, the Dakotas, and Nebraska will hold a conference here, beginning Wednesday. It is expected that 500 delegates will be in attendance. Various matters are to be discussed and a plan of campaign mapped out.

Some feelings are to mortal given with much of earth and none of heaven, as for example, headache, neuralgia and the like. One bottle of Salvation Oil sends them hence. Oh! let us be joyful.

### OFFICE OF REPORTER, MECKLENBURG LODGE NO. 335, K. OF H. CHARLOTTE, N. C., Feb. 27, 1891.

At a regular meeting of Mecklenburg Lodge No. 335, Knights of Honor, held on the above date at H. Baumgarten's factory, the following resolutions of esteem and regret were passed and adopted unanimously:

### IN MEMORIAM.

WHEREAS, It has pleased Almighty God in His inscrutable wisdom and divine purposes, to take from our midst, in the springtime of life, in the joy and fullness of manhood, with bright hopes and plans for tomorrow, our beloved brother, W. P. Carpenter, let us not while we mourn lose our faith and hope in God's promises, but let our heads in humble submission to His wise decrees, knowing that "He doeth all things well."

Resolved, That in the daily life of Brother Carpenter, we recognize a character that may be taken as a beacon light on the highway of life, a devoted husband and loving father, a true and trust-worthy friend, an honorable man, full of charity and generosity, and worthy of our highest respect and esteem, for his virtues were many and his faults were few.

Resolved, That we tender to the wife and children of our departed friend and brother, in this hour of their affliction, our heartfelt sympathy, and we pray that they may find comfort in God's promises to be a father to the fatherless and a friend to the widow in the hour of their need.

Resolved, That a copy of these resolutions be transmitted to the family of Brother W. P. Carpenter and be spread upon the minutes of this lodge.

W. B. JONES, G. R. L. KRUEGER, Com. H. BAUMGARTEN, Titos L. RITCH, Dictator, P. T. H. BAUMGARTEN, Reporter.

### LA GRIPPE.

The symptoms are: headache, general ill-feeling, pains in the back, side; in severe cases, ache all over and cough violently. To cure and prevent it take Simmons Liver Regulator, the good old Southern stand-by in all diseases peculiar to this section. It works on the common sense plan that no well regulated system will take disease or retain it. Disease is neglect, and a well-known doctor is sincere in wanting to make it a punishable crime. Don't permanently injure yourself with quinine nor get caught by being careless. Take Simmons Liver Regulator.

Be Not Imposed Upon.

### To the Business Men and Residents of Charlotte:

### WAIT FOR HIRST'S DIRECTORY!

A Directory is pretty dry reading in itself, and one is enough for the city. The situation, however, appears to be the same as that of the man who, when rebuked for constantly quarrelling with his wife and reminding that she and he were one, replied that they agreed on that point, but the question between them was which was the one.

That is the question we wish our friends to answer—which is the one Directory they prefer? One carefully compiled by residents of Charlotte, whose last undertaking of the kind was admitted to be the best book of reference Charlotte ever had, and who will be here to answer for all sins of omission or commission, or a publication hurriedly compiled by strangers whose only interest in the matter is the greatest amount of profit at the minimum of cost.

Hirst's Directory will be published this Spring at as early a date as possible, consistent with thorough work, and the publishers intend to make it more than ever worthy of a favorable reception. In fact as neatly as can be a perfect book of reference on Charlotte and its affairs.
