Calf Footwear

Calf Skin is most delicately adapted to the purposes for which it is used, but a good many purchasers who have supposed they were wearing it have been mistaken. You can know just what you are purchasing only when you place your faith in a dealer who will tell you nothing but the exact truth. We do not claim that all of our shoes are of a superior grade. What we do claim, is, that they are what we represent them to be. You make no purchases in the dark when you buy from us, and will make no mistake if you try our shoes.

A. E. RANKIN & BRO.,

Buffalo Lithia Water, Rockbridge Alum Water, Thompson's Bromine and Arsenic Water, Tate Spring Water and Virginia Bromine Arsenical Lithia Water, just received, besides we have a large stock of other bottled waters.

Tom Dixon on the Matter.

Rev. Tom Dixon tackled of the New Orleans affair in his sermon at New York last Sunday. He said among other things: "The time has come in this nation for the people to rise in might and sweep from the face of the earth this pestilential fiend who breathe the foetid air of hell and are leagued in the interests of a free Republic. Let a good Baptist American congregation in the good old Saxon way."

Another Tragedy.

Another tragedy we are sorry to say, is the outcome of the political war in the northern part of the county. It is now the duty of every good citizen to see that this sort of criminals prosecuted more and more to the fullest extent of the law. It is unfortunate for the peace of the county that this affair has occurred, but it is the duty of the people to see that the guilty parties are brought to justice. Let the law take its course, and let no one attempt to shield the criminals from the punishment they deserve.

NOT A MONOTONOUS TRIP.

Sleeping Car Passengers Turn Out of Their Berths to Sabbatical Fire and Then Take a Nap While a Broken-down Engine is Being Repaired.

The passengers in the Pullman sleeper that got here this morning at 6 o'clock on the Charlotte, Columbia and Augusta Division of the Richmond and Danville road, were a cross set. They had lost a good deal of sleep on the trip from Augusta. It seems the porter had a slumber of more than usual density, and didn't notice that the interior of the car was becoming filled with smoke.

A consumptive passenger did, however, and rolled out of his berth, to find the car full of smoke. It did n't take him long to have every body out on dress parade, and a big fat drummer, after blowing a lot of soot and lampblack from his nostrils, yanked the water cooler from its fastenings and had the fire out in a jiffy. The porter was waked, the car aired and things cleaned up generally, and just about time order was restored, in the car. On ahead pulling the train broke down causing a delay of two hours. The porter filled 24 any more sleep on that run.

The North Carolina State Sunday School Convention.

The tenth annual convention of the North Carolina Sunday School Association meets in Fayetteville today, and will close Thursday evening, the 25th. This will be an important gathering of Sunday School workers of all denominations to consult in regard to the Christian culture of the young of our State. This association is auxiliary to the "International Sunday School Association," which is the organization that selects the lessons now in use in nearly all the Sabbath schools in this country and England. The object is to create more interest in the Sunday School cause, and present better methods in management and teaching in the schools. Some of the leading Sabbath School workers in our State will be present as well as some other States. Mr. Wm. Reynolds of Illinois, will be present and participate in the discussion; also Mr. Crafts of New York, who will hold separate meetings for infant class and primary class teachers.

The Sale of the Messenger.

The Wilmington Messenger was sold yesterday. The News says: "The first bid offered was $3,000, but this was rejected. Then $4,000 was offered. After some little eyeing this was raised to $4,250 then for lower $4,500 and lastly $4,500, the whole being knocked down to Mr. Sol Wolfe, who announced that the bid must be entered in the name of Mr. Frederick Jones, for whom he acted. The crowd then slowly dispersed, much speculation being indulged as to what Mr. Jones would do with his purchase. The sale was a surprise to [illegible] Mr. Jones [illegible] for [illegible] and [illegible] secretary, several [illegible] and [illegible] Messenger [illegible] and [illegible] [illegible] [illegible]
