OUR SHOES HAVE A WALK-OVER.

For downright, positive cheapness you will find it not difficult, but impossible to match the shoes we are selling. Our artist's private opinion is that they have a walk-over. Well, he might easily be much further from the truth; Don't take our word for it, investigate the matter for yourself. A small margin on a continuous customer, knocks out a big margin on a single sale every time. That is why we are selling our shoes at a figure which no other dealer has ever dared to quote, and that is why prudent purchasers are prompt purchasers.

The Chronicle.  
The patrons of our morning daily are so much congratulating themselves upon the fact that the Chronicle is at last in the hands of a journalist and that it is to be run on the broad basis of journalism. Mr. Caldwell makes his bow in this morning's issue and does so in his usual graceful style. THE NEWS has no doubt whatever that under the present management the Chronicle will prove itself to be just the sort of a morning daily that Charlotte has so long needed.

Local Supplies.  
—Mr. E. W. Gould, southern auditor of the Armour Packing Company is at the Buford.

—Mr. B. F. Granger a very popular traveling man is at the Central.

—The gardeners are busily at work trying to get something green above ground for some of the big freezes that will be along this and next month, to work on.

—Mr. W. G. Steele has been appointed Charlotte agent for the Mecklenburg county alliance department of the Salisbury Watchman.

—The Raleigh merchants and Wake county farmers held a meeting yesterday, and adopted resolutions to plant at least 25 per cent less cotton this year than last.

—Dr. Edward Still, a surgeon attached to the United States steamer Baltimore, arrived in the city last night. He talks most entertainingly of his experiences in the harbor of Valparaiso.

—The pretty weather is being taken advantage of by the farmers and they are ploughing from sun rise to dark. Driving along the county roads one can see ploughs going in almost every field.

—The county commissioners have ordered the rock work on the Yorkville road to be extended 100 yards, so as to cover a portion of almost impassable road.

—The advertisement in yesterday's News of the wonderful soap, had the desired effect. The wheeled platform was withdrawn from the street and people mourn because they no longer have the chance to be gulled.

—The long expected stained glass windows for the new Tryon street Methodist church have arrived, and work was resumed on the building this morning. The windows are being put in and when that is done, the church will be speedily completed.

—THE NEWS was favored yesterday afternoon with a call from Mr. Al Fairbrother, editor of the Durham Globe. It was a pleasure to make his acquaintance and we hope he will not forget his promise that THE NEWS office shall henceforth not be globeless.

—The young ladies of Concord will give a reception at the Mt. Cloud Hotel on next Friday evening, from 8 to 12. Arrangements have been made to insure a most enjoyable and delightful evening. The supper will be a prominent feature, and oysters, salads, cake, ice cream, fruits, and confectionaries will be served in superb style.

**THE NEW HOME**  
For the Presbyterian Orphan Home at Barium Springs.  
The Board of Regents of the Presbyterian Orphan Home, met at the Central Hotel this afternoon. The meeting was called to hear the report of Col. John L. Brown and Rev. J. Rumpke, who were recently appointed a committee to visit the Thornwell Orphanage and inspect the buildings with the view of adopting a building suitable for the orphanage at Barium Springs. Col. Brown and Dr. Rumpke found that the McCormack cottage was just the thing needed. It is a three story house, of an imposing architectural design, with 15 rooms, exclusive of a dining room on the first floor, and a school room on the second floor. The first and second stories will be of brick, the third story shingled in English style. The cost of the building will be about \$2,500. The Regents adopted this plan and by next fall the orphans will be in their new home.

Railway Promotions.

General Manager John C. Winder, yesterday issued an order making the following promotions to take effect March 1st: Mr. John M. Sherwood treasurer of the Georgia, Carolina & Northern railway, with office at Athens, Ga.; Mr. George E. Hunter to the position in the treasury department of the Raleigh & Gaston, Raleigh & Augusta Air-Line and Durham & Northern railways, made vacant by the promotion of Mr. Sherwood, with office at Raleigh; Mr. N. T. Cobb auditor of the Raleigh & Gaston, Raleigh & Augusta Air-Line and Durham & Northern railways, with office at Raleigh, vice Mr. Hunter promoted.

They Raised a Two to a Twenty.

Yesterday's Salisbury Herald says: Two men, one of them white and the other colored, claiming to be from Charlotte, were arrested here Saturday night by policeman Pool, for trying to pass a two dollar bill which they had raised to twenty. They attempted to spend the money at the store of W. H. Nicholas, colored, but noticing something wrong with the bill Mr. Pool was called in and on examination found that it had been doctored with. He immediately arrested the men calling Mr. J. M. Dry to his assistance. The negro then said he must have something to eat and began scuffling. By some means he gave Mr. Pool a twist and threw him down, at the same time breaking loose from Mr. Dry. Both men then ran down the alley and made their escape, leaving the two dollar bill in Mr. Pool's charge. We learn the white man's name is Smith and that he hails from near Davidson College. The negro is from High Point.

**THE GRADED SCHOOLS.**  
The Teachers notified that the City has no money with which to pay their salaries.

The financial problem claimed the attention of the board of aldermen yesterday afternoon, and as a result an order was passed that the teachers be notified that the city had no money with which to pay their salaries. The closing of the saloons and the consequent withdrawal of the \$15,000 license tax which had already been provided for in the revenue bill, is responsible for this action. Mayor Brevard read to the board a carefully prepared statement of the financial situation of the city in which he explained that when the committee on finance met last May, they made their estimates and levied the tax, as a matter of course calculating upon \$15,000.00 retail license tax. To me it seems they were fully justified in so doing. The same gentlemen were serving on the board of county commissioners who had granted license to a majority of the late applicants just one year ago, and your committee had no intimation that any of these gentlemen had experienced a change of mind or heart. So, basing their calculations upon these facts, they expected to have on hand and due on tax list when they met early in January, four months before the end of the fiscal year. In round numbers between \$20,000 and \$25,000. Deprived, however, of this source of revenue, after setting aside money voted for the completion of the new city hall, we have left for all purposes not \$25,000 or \$20,000 but between \$14,000 and \$15,000.

It costs \$2,571 per month to run the city government, and it was a question of stopping street work, suspending the police force and other necessary adjuncts to the city government or of closing the schools. After the situation was reviewed, a motion made by alderman Graham that the teachers of the graded school be notified that there was no money in the treasury to pay their salaries, was carried.

The Leap Year Ball.

The leap year ball, given by the ladies of Charlotte at the Buford Hotel last night, was beyond any question, the most elegant affair of that kind that has been known in Charlotte, no previous occasion excepted. It was the most largely attended ball of any held in this city, since the 20th May ball of 1882 at the Central Hotel. The wind up did not occur until two o'clock and fifteen minutes, and as they went home from the ball, the participants felt morally certain that they had never attended a more delightfully successful affair.

The Weather.

The following is a synopsis of the weather prevailing at 8 a. m. today: The same settled conditions still obtain over this section with continued slowly rising temperature. North of Virginia, however, the temperatures have diminished 5 to 10 degrees, and a low barometer hangs over the lakes. A high barometer hangs over the west, where also temperatures have fallen. Conditions at present, however, show no signs of an immediate let up in the settled conditions which now prevail.

Assignment of Richard Moore.

The two stores of Mr. Richard Moore dealer in stoves, household hardware and sewing machines, are this morning in the hands of a receiver. Mr. Moore's assignment was filed at the court house at 5 o'clock last night. Mr. Harlow Clarkson is the assignee. Mr. Moore's liabilities are within a fraction of \$10,000, and Mr. Clarkson states that the assets will amount to \$17,000. Mr. Moore assigns his entire stock of goods and personal property, reserving only the \$500 exemption allowed by law. Creditors pushed him, he was unable to make anything like fairly good collections, hence his assignment. Of Charlotte's present force of merchants few have been in business a longer time than Mr. Moore, and his career has been one of unflagging energy and honest endeavor. He not only has the sympathy of our people but the hope of all that he will soon be upon his feet again, and in better shape than ever.

In Mr. Moore's assignment, the home creditors have the preference. Of this class the Merchant & Farmers Bank is preferred for notes, with interest, of \$750, \$850, \$650, \$125, \$75, the 1st National Bank \$225. Mr. Moore secures those who hold notes and accounts against him as follows: Dr. J. H. McAden \$125; E. W. Berryhill \$200; A. A. Gaston \$400; J. D. Palmer \$105; W. L. Cochran \$75; Wm. Treloar \$100; R. J. Brevard \$50; Heriot Clarkson \$50; J. L. Brothers \$75; A. Berryhill \$75; K. S. Finch \$14; Wm. Strange \$35; Hammond & Justice \$40; Brown & Co. \$20; M. A. Hall \$25; Gilreath & Co. \$9; Mrs. Nellie Yates \$115; Bethune & White \$7; Mrs. M. A. Osborne \$180; Pharr & Long \$35; Kaufman & Co. \$5; E. M. Andrews \$10; C. Moore \$6; Gray & Barnhardt \$18; J. L. Davis; Jas. A. Carson \$50; Thos. W. Sparks Phila. \$131; Keen & Hagarty, Balto. \$200; Lyon Conkling & Co. \$200; Watkins, Cottrell & Co. Richmond \$250; T. L. Seigle & Co. \$25; Jones & Graham \$35. There is a long list of creditors other than of the class above named, among those holding the largest claims being the Richmond Store Co., \$1,300; Wheeler & Wilson Manufacturing Co., \$600; Supple Hardware Co., \$600.

Mr. Clarkson's estimate of the value of Mr. Moore's stock is \$10,000, and in addition to this he holds notes and accounts to the amount of seven or eight thousand dollars.

An Old Negro Burned in a Cabin.

An old negro man named Ransom Robinson, was burned up in a cabin on the farm of Mr. S. D. Alexander in Providence township, last Sunday morning, at daylight. He was left alone in the house by his wife Saturday night. She went off to spend the night with a neighbor. Sunday morning the house was found in ashes. Only a few charred bones of the old man's body could be found in the embers.
