Raleigh Letter

Raleigh, N. C., Aug. 25 .- This morning the Supreme Court convened and began the examination of applicants for law license. There are eighteen young men here from the State University and 16 from the Wake Forest Law School. The examination is written. Judge Cook came from Warren vesterday and Judge Douglass from Greensboro. Judge Clark and Judge Montgomery have spent most of the summer at their homes here. Today the cases from the first district will be called and the famous Wilcox appeal is the second on the list.

Col. P. M. Pearsall, private secretary to Governor Aycock returned from the west yesterday. Governor Aycock remained in the mountains and is not expected back before about the first of September. He may go almost to the Tennessee line in Cherokee county this week.

Rev. Dr. John C. Kilgo preached here Sunday morning and eveningin the Edenton Street Methodist church to large congregations. In the morning his text was the first three verses of 10th Chapt, of John and he argued that Christianity is the only universal religion the world has had. He combatted the ideas that the world could ever outgrow Christianity, that Christ was before the beginning. that he is truth and truth will advance through all eternity.

Attorney General and Mrs. R. D. Gilmer returned to Raleigh last evening from Waynesville where they have been spending the summer, at' their home. Last week Gov. Aycock and Col. Pearsall were the guests of Gen. and Mrs. Gilmer.

Judge E. W. Timberlake was here yesterday on his way to Narnett county, where he will hold court this

There is some feeling here over the harangues a white man named King is delivering and he may be requested to leave. He is preaching with negroes and living in their houses. He denounces ministers of the gospel and all secret societies in his sermons.

BRAIN-FOOD NONSENSE.

Another ridiculous food has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. et, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's Aus gust Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at Fitzsimons Drug Co.'s.
