Big Excursion From Athens.

The city has been full of overflowing with colored excursionists today. The crowds came from along the line of the Seaboard, the start being from Athens, Ga. When the train arrived in Charlotte last night, there were 11 cars filled with colored people and one car well filled with whites. The colored people came to attend the camp meeting. On their arrival in the city, they boarded the electric cars and went to the park. The excursion train will remain in Charlotte until late tonight and probably, until in the morning.

The crowd has been very orderly and have caused the police no trouble. It is estimated that at least 800 came in on last night's excursion.

The Charlotte Building and Loan started out to "make the August series the largest on their records, and they are doing it." Many new stockholders have been added, but in order to make this an unusually large series the books are still kept open, so you can still get in. Your delay is your loss; for, beyond all doubt, this is the best method devised by man for earning a handsome profit on small sums, and its safety is assured.
