Republicans Make Fine Play For Respectability

ASSOCIATES LEFT BLANK

Abbott Named For Corporation Commissioner and D. A. Long For Supr. of Public Instruction

Greensboro, N. C., Aug. 29.—The Republican convention met here yesterday at noon, excuted the plans and mandates of Senator Pritchard and adjourned.

In line with other recent actions of the party, the aim to attain some degree of respectability and bring into the fold all the disgruntled Democrats possible, the convention endorsed T. H. Hill for Chief Justice in the hope of leading Judge Clark. They ignored the associate justices, leaving those places on the ticket blank.

Rev. D. A. Long, whose Republicanism was vouched for by R. N. Douglas, was nominated for Superintendent of Public Instruction and Dr. D. H. Abbott for Corporation Commissioner.

The convention was called to order in the opera house by Senator Pritchard who introduced R. D. Douglas of Greensboro. He welcomed the convention to Greensboro and Z. V. Walsler responded on behalf of the delegates. Senator Pritchard followed Walsler with a set speech that required an hour and five minutes for delivery. He arraigned the Democratic administration in the usual Republican style and of course was greeted with much applause when he sat down. At the conclusion of his speech the convention adjourned until 5 o'clock and in the meantime the doors were closed to all except Republican delegates while star chamber speeches were made by some of the leaders.

The convention met again at 5:10 o'clock and the committee on credentials, composed of J. W. Meekins, R. M. Norfield, John E. Forbes, C. T. Bailey, W. B. Steele, T. H. Sutton, Z. F. Long, J. W. McNeill, W. A. Newland and W. E. Logan, reported in favor of seating both Rockingham delegations, dividing the votes between the two factions; also in favor of delegations representing "Lily White" or Pritchard men from the counties of Halifax, Wayne, Wilson and Vance, and in favor of Postmaster Hasty's faction from Union county, composed of S. A. Secrest, S. S. Finchen, T. S. Love and J. S. Hasty. The report of the committee being adopted, Capt. Charles Price was named as permanent chairman and R. H. McNeill, secretary, by the committee on organization, composed of W. P. Bynum, W. S. Hyams, A. E. Holton, Chas. McNamee, E. C. Duncan and D. H. Abbott.

The committee of platform was announced as follows: First district, Harry Skinner; second district, E. M. Steward; third district, D. H. Abbott; fourth district, C. P. Locky; fifth district, C. A. Reynolds; sixth district, T. A. Sutton; seventh district, Z. V. Walsler; eighth district, A. H. Price; ninth district, L. L. Jenkins; tenth district, J. J. Britt. The convention then took a recess until 8:25 o'clock.

The result of the hot fight in caucus was the winning out of Senator Pritchard by the adoption of a viva-voce vote by a narrow majority of the following resolutions which were adopted at night.

Resolved, That, whereas, the Republican party desires the elevation to the bench of the best fitted lawyers of the State, regardless of party affiliations, the candidacy of the Hon. Thomas N. Hill, of Halifax, for Chief Justice of North Carolina, is hereby endorsed, and we, the Republicans of the State, in convention assembled, do earnestly recommend him to the people of the State for this high office.

Resolved, Further, That it is the sense of this convention, that no nominations for associate justices be made at this time, but that the executive committee, hereafter, is empowered to take such action in relation to the same as shall seem best.

Capt. Price and Col. Skinner both made set speeches after which the delegates adjourned for supper.

When the convention assembled after supper, Mr. Seawell, of Moore, offered a resolution endorsing Senator Pritchard and the records of Congressmen Moody and Blackburn, which was unanimously adopted. Assistant District Attorney Price then offered the resolution agreed on in the caucus endorsing T. H. Hill for Chief Justice and leaving blank the nominations for Associate Justices, which was adopted without opposition.

D. A. Long, of Alamance, was nominated for Superintendent of Public Instruction by R. N. Douglass, who, in answer to inquiry, vouched for his Republicanism and he went through all right. Assistant District Attorney Oscar Spears, of Harnett, and ex-Judge W. P. Bynum named D. H. Abbott for railroad commissioner and he was nominated by a rising vote.

E. W. Timberlake of Franklin, fourth district; W. S. O'B. Robinson, of Wayne, sixth; H. F. Seawell, of Moore, eighth; A. L. Coble, of Iredeil, tenth; H. R. Starbuck, of Forsyth, eleventh; R. H. McNeill, of Ashe, thirteenth; O. B. E. Blythe, of Henderson, fourteenth; C. D. Mashburn, of Madison, fifteenth; Baylus Cade, of Haywood, sixteenth; were nominated without opposition for judges of the Superior Court.

J. S. Walsler then reported the resolutions which were adopted without opposition. They are as follows:

"The Republicans of North Carolina, in convention assembled at Greensboro, on the 28th day of August, 1902, adopt the following as a declaration of principles upon which they ask the support of the people of the State:

"We deplore and deeply mourn the death of President McKinley. His Christian character, noble impulses and patriotic spirit have done more to strengthen Republican institutions and any other agency which has been employed in modern times, and his life and work will be a tower of strength

to the Christian religion and to official integrity and fidelity for all time to come.

"While we deeply mourn the loss of our beloved President, at the same time we appreciate the fact that in President Roosevelt we have a President whose honesty of purpose and patriotism are such as to assure us that the affairs of the American people are in safe-keeping, and his faith in the principles of Republicanism is such as to guarantee a faithful adherence to those things that have given this republic its grand position as a world power.

"We endorse the national platform of the Republican party adopted at Philadelphia, and point with pride to the unexampled prosperity which the Republican administration has brought to the country at large.

"Intelligence being the corner stone of the State, and the education of the masses being dependent solely upon our public schools, we favor the support by public taxation of at least a four-months school in every school district in the State, and we condemn the Democratic party for its failure to provide proper educational facilities for the education of the poor children of the State during its lease of power from 1870 to 1895.

"We favor generous public aid to all charitable institutions of the State, and the enactment of such pension laws as will give the ex-Confederate soldiers a more generous and equitable distribution of this fund than is provided for by the present pension laws.

"We favor such State legislation as will encourage the investment of capital, both foreign and domestic, and we respectfully invite capitalists from abroad to come among us and assist in the development of our wonderful resources.

"We invite the attention of the people of the State to the clean, able and economic administration of our State government by the Republican and Populist parties from 1897 to 1901, and
