Of Richmond, Virginia. May 16, 1902.

To Mr. L. J. Hayden, No. 404 West Broad street, Richmond, Va.: Dear Sir: I have waited until a sufficient time has elapsed to see if your medicine had worked a permanent cure before sending you my testimonial, If you will recollect, I applied to you last March for a bottle of meditors that I had tried had done me no good. I had the Yellow Jaundice very badly and seemed getting worse under the doctor's care, and what I wanted was to get cured. Before I had taken half of one bottle of your medicine I feit better, and when I had taken all of the bottle of mediand his work is not one of devasta- cine I was a long ways on the road to recovery, since which time I have taken the second bottle, and my

health has been completely restored. I can safely recommend your medicine to any one afflicted with Yellow Jaundice, as it cured me, and that is what the sick people want—a medicine that cures.

Wishing you much success, I am respectfully, R. B. HICKOCK,
