THE LOCUST EATERS.

And it came to pass that locust pie became a great dish in back countries. "But," said the man who had ordered a pie in a hotel, "these locusts are not tender. Are you sure they are young?"

"Oh, yes, sir," responded the waiter, "we guarantee none of them to be over 17 years old."

TOO MUCH OF A FLIER.

Sharpe-Santos-Dumont says if anyone gives him \$2,000,000 he will build an airship to cross the ocean.

Wheaton-M'm! I guess if anyone had that much to go up in the air he'd just as well invest it in a Texas oil well.

VOICE CULTURE.

My fall term of vocal instruction will begin Sept. 1st. For the past three years I have been studying in New York with Madame Marie Gramm and Signor Emilio Belari and have acquired the latest methods of correct placement and rapid development of the voice. Another Runaway

I beg to announce to the public, that I have established a real estate and typewriter exchange, and collecting agency in Charlotte, having resigned my position with the Liddell Company, with which I have been connected for the past 14 years, and in the future my business will be to buy, sell and rent all kinds of real estate, look after all kinds of collections for the public in general, and to operate a typewriter exchange, representing the Williams Typewriter Co., and buy and sell all kinds of typewriters. I will also operate a rental exchange, and now own 25 first-class typewriters of the different standard makes which will be kept exclusively for rent by the day, week or month, and handle all kinds of typewriter supplies. And am prepared to have thoroughly overhauled and repaired by expert repairers typewriters of any make.

I expect to conduct my business on a first-class, high-toned business basis, and to "hustle" for my own interests, and if given a part of your business will endeavor to "hustle" for your interests, too.

I also beg to thank my friends and the business men in general for the Notary Public business they have very kindly "thrown my way" in the past, and to add that I am now "My Own Boss"—my time is my own—and can call any time at your office, home or anywhere, when you require my services as a Notary. I know my business in this particular—all business strictly confidential (have been entrusted with the Notary Public business of most of the best business men in Charlotte). I make business before pleasure and solicit your business. Have horse and buggy and will go anywhere in Mecklenburg county, day or night. Office and headquarters No. 14 East Fourth street, Queen City Printing Co's place of business. Bell 'Phone in office and my residence. 'Phone me when you need me—any hour.

Frank F. Jones,

P. S. Aside from my other business, I am the authorized city representative for the Queen City Printing Co., and will appreciate any business for this company through me. 13-1t
