Find Instant Relief and Speedy Cure

In Cuticura Soap and Cuticura **Ointment**

When All Other Remedies and the Best Physicians Fail.

Instant relief and refreshing sleep for skin-tortured babies and rest for tired mothers in warm baths with Cutieura Soap and gentle anointings with Cuticura Ointment, the great skin care, and purest of emollients, to be followed in severe cases by mild doses of Cuticura Resolvent Pills. This is the purest, sweetest, most speedy, permanent and economical treatment for torturing, disfiguring, itching, burning, bleeding, sealy, crusted and pimply skin and scalp humours, eczemas, rashes and irritations, with loss of hair, of infants and children, as well as adults, and is sure to succeed when all other remedies and physicians fail.

Millions of the world's best people now use Cuticura Soap, assisted by Cuticura Cintment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, as well as for all the purposes of the toilet, bath and nursery. Thousands of women unhesitatingly recommend Cutieura Soap, in the form of baths for annoying irritations, inflammations and chafings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sanative, antiseptic purposes which readily suggest themselves. The sale of Cuticura Soap, Ointment and Pills is greater than the combined sale of the world's product of other skin remedies. Sold in every part of the world.

New York, May 12 .- Fleet & Co. say: London shade better. News trifle builish. Our market dull but has firm undertone and looks as though an effort would be made to run in shorts. Room traders appear moderately bullish Prices may rally point or so further and if so would sell them short for moderate turn. Government crop report rather better than expected and this induced some little short covering and buying for turn. Labor troubles are the chief menace to market and appear to be growing more serious every day. Talk of calling of extra session of Congress in early fall had favorable effect. If it is not called until November don't see how it will be any benefit in moving crops this fall. Money easy about 21-2 per cent. Foreign Exchange market very firm and looks like we would ship several million gold on Thursday's steamer to France. Rock Island plan is about what was expected. Don't see that its bullish on R. I U. S. issues heavy. Steel and Iron industries are lagging a little. Missouri Pacific continues strong. A. C. P. hanging fire now and looks like easing off

New York, May 12.-Town Topics say: The stock market having been a parently sold to a stand-still discou ed gold exports and with the bet strike outlook the announcement the shipment of the precious metal stead of causing a depression resul in a strong market yesterday af noon and we expect to see a conti ance of the improvement too ready to move up at any time. We also bullish on Erie 2nd and advise purchase. We expect to see Misso Pacific considerably higher, but movement is likely to be gradual. nois Central is regarded as the che est stock in the list by some of the l people in the street and we believe will go higher. The bulls should forget this and hold on.

start, who construed the report as bearish. There was fairly good buying with Armour people prominent although the market was very dull through session. as in a strong position and favor its purchase on recessions. Corn-There was a good cash de-

mand with buyers in evidence while buying of the futures was of a good character, with the contract stock showing a reduction. It was thought that Patten was coverning shorts in July and it would not be surprising if higher values should prevail. Oats-Were strong through good

commission house buying. Crop reports wers as a general thing unfavorable and this is enough in the situation to create the belief that values will work some higher.

Provisions-Were weak early, lard especially in sympathy with hogs but shortes covered freely on the appearance of buying lard and ribs by brokers who were thought to represent the big packers. Advance may be carried farther but on hard spots we would favor sales of product for moderate profits.

THE BUTTONS DOWN HER BACK.

When Mabel squeezes in a waist That buttons down the back,

Another "Before and After."

That buttons down the back,
And then cries out in cleading tones:
"Come here and help m. Jack,"
I sigh for those delicious days."
Those days when I was free,
And Mabel never pleaded to
Be buttoned up by me.

Ah, whata privilege would I
Have deemed it then to hear
Her cry: "Come, please, and help me with
These dreadful buttons, deer." Ho s gladly would I then have gone
And given her a smack
For each delightful button down
The row upon her back.

But things, somehow, don't thrill me now As once they might have thrilled: And oh, the waists that Mabel wears Are always amply filled!

My temper's warped my thumbs are s re.
My fingers ache, alack!

Confound these awkward, foolish waists That button down the back! Oh, these men, these men. Before marriage they can't do enough, and after marriage they can't do too little at least some of them.
