### REPORT OF Y. W. C. A.

#### A Splendid Statement Made at Annual Meeting Held Today.

At the annual meeting of the Y. W. C. A. at the Carnegie Library this morning, at 11 o'clock, the following reports were submitted by the secretary and treasurer:

"Since the organization of the Y. W. C. Association of the Woman's Club, in March, 1902, it has steadily grown and gained strength; in fact we can say that it is almost self-sustaining at this time. The house has been full most of the year, and on several occasions applicants were refused for want of room. Over fifty persons have made the Association their home. This number includes students of business colleges, stenographers, salesladies, trained nurses and transients.

"Board is supplied at absolute cost, and it has been the endeavor to make it an ideal home for young women. There is a neat sitting room, and the individual rooms are well-furnished and comfortable.

"Social and educational entertainments are provided for the guests of the home, which add much to their pleasure and seem to be appreciated.

"We now find that our quarters are too small, and we are endeavoring to procure a larger building. We are much encouraged with our work, and feel that we can do much more the coming year, as our membership has increased, and people of the city have been very kind in aiding us, and visits from them to the home would, we think, be satisfactory on both sides.

MRS. I. W. FAISON, Recording Secretary.

The following is the report of the treasurer for the year 1903:

Balance on hand last report	\$ 27.08
Rec'd from sustaining members	154.00
Rec'd from active members	24.00
Rec'd from Associate members	7.50
Rec'd from House	327.00
Rec'd from Donations	173.00
Total	\$713.33
Total amount for expenditures	\$709.04
Balance on hand	\$ 4.29

Submitted by the Treasurer, MRS. M. A. SPONG.

#### PRESBYTERIAN COLLEGE OPENS.

A Large Number of Students Present This Morning.

The spring term of the Presbyterian College opened today under auspicious circumstances.

A number of new students have matriculated since the holidays. The number of ladies matriculated since opening is one hundred and six.

Among the later arrivals are Miss Katharine Taylor, of Baltimore, Md.; Miss Bessie McArthur, of Washington, Ga.; Miss Christine Irving, of Virginia; Miss Lelia Caldwell, of Mooresville, N. C., and Miss Annie Johnson, of Chapel Hill.

Miss Margaret Melver, daughter of Judge Melver, of Carthage, N. C., and Miss Ivey Crump, of Polkton, arrived this morning.

Several more are expected today and tomorrow. All but two or three of the old students have arrived and the prospects is that the big building will be full to overflowing in the near future.

The college students would have attended the Gordon memorial services in a body had they not been on examinations, which could not be deferred. Those who would be excused were urged to go and many of them went out.

After the strain of examination, which has been held at the Presbyterian College this week, the young ladies are going to have a little amusement in the way of an entertainment which will be given Friday evening for the benefit of the gymnasium and studio. The admission is 25 cents. Patrons and friends of the college are invited to attend.

Letter of Prof. J. G. Baird, Charlotte, N. C.

Dear Sir: You are a teacher; here's one for your boys: If the painting costs two or three times as much as the paint, and one point goes twice as far as another, how much are those two points worth? If Devco is worth \$1.50 or \$1.75 a gallon, how much is the other one worth?

How much is a gallon of paint worth, anyhow?

The answer is: Depends on the paint.

The reason is: paint isn't always paint. There are true and false paints and short-measure.

How much is a short-measure gallon worth? How much is false paint worth? How much is Devco worth? There are millions a year in the answer to this last one. Yours truly, F. W. DEVOE & CO., New York.

## THREE SAFES ATTACKED IN CHARLOTTE IN ONE NIGHT!

When Professional Burglars are in a community it is well to consider how secure or INSECURE you may be against an attack. This bank having realized some time ago that the South is now the special field in which professional safe-blowers are operating, employed an experienced NIGHT WATCHMAN, and he is kept on guard INSIDE our banking rooms each night, heavily armed and ready to resist attack. In addition we carry \$60,000.00 Burglary Insurance on our safes. Will it not pay you to rent a box in our massive Safety Deposit Safe, where your valuables will be carefully GUARDED at all times? We have a few vacant Boxes at \$5.00 per year. This Safe is protected by improved double time locks and was specially manufactured for this bank.

## A SAVING OF 20 Per Cent. on the Dollar

January is not yet half gone. February and March are yet to come, therefore there are two and one-half months--nearly a fourth of a year--of cold, and bitter cold, weather.

You'll find a Coat Suit most serviceable, indispensable during this period of disagreeable weather. Then, next summer, if you go to the mountains there is no apparel you can take with you that will take the place of the Coat Suit. We are selling these garments at

## 20 Per Cent. Discount

At the beginning the goods were marked very low, and now that one-fifth has been deducted it means a saving, a big saving. The styles are foremost; the suits are made to fit as though your measure had been taken by the tailor.

## Sole Agents in Charlotte for McGee's Celebrated Adjustable Yoke Petticoats

## Extra Big Cut on a Swell Overcoat!

This is a dead swell fancy grey Kersey Overcoat, too swell for our trade, and we mean to sell it right now. The price is \$17.50. It matters not what it cost, but we'll take for each \$9.50.

## No More Mattings at Old Prices
