Negro Father Kills his Own Child to Spite its Mother -- Letter Eound in Terry's Cell After his Suicide in

(Correspondence The News) Wilmington, Feb. 10 .- Mad with a fiendish desire to wreak vengeance upon his wife, with whom he had been at outs for several weeks, Will Mc-Kay, a young negro brute, murdered his infant son, three months old, Sunday night by pouring sulphuric acid down its throat. It was a most hellish crime and was committed in the presence of the mother of the baby. McKay threatened to cut the woman's throat and when she ran away from him he picked up the infant and pour- Starch Factory of Corn Products Com- observed by the graded schools here as ed the fiery liquid into its mouth. A part of it ran out on its breast and burned through the clothing and ate its way into the flesh. The horrified mother wrested the baby from the demon's arms. The infant was soon in convulsions and died in a short time. McKay made his escape. The police are making a diligent search for ment of the kind in the world, is him. ## NEW WAY TO CURE BLOOD POISON Patronize Home

Dr. Hathaway's Is a Truly Wonderful Method for Simplicity, Permancy and Quickness-Be Sure to See This Great Specialist About it.

Blood poison is no longer the terrible disease that it used to be. Science has found a way out of the difficulty, but as yet few be. Science has found a way out of the difficulty, but as yet few know the secret. Dr. Hathaway has a new method of curing this disease that will clear your body of every sore in a few days stop the hair' teeth and eyebrows from falling out, cause the aches and pains to disappear, and in two weeks at the most remove all traces of the p ison so no one will know you ever had the disease. This is positive and guaranteed. To those who have this disease, no matter in what stage, let us say. Do not despair; do not brood; do not send for medicine from distant places as they are merely guessing at your condition, and what they give you frequently results in locomotor at axia and mercurial rheumatism; and do not go to the ordinary doctor-be still clings to matism; and do not go to the ordinary doctor- he still clings to mercury and potash, which are more harmful than blood poison itself. This disease requires special training. Go to Dr. Hathaway, the word's famous specialist in the cure of blood poison and he will cure you quickly and permanently by an entirely new method, and when once you are cured by him you can never again contract the disease, no matter to what dangers you sub-ject yourself. He will make you fit for fathernood and the joys of life. He will take you in hand and nurse you back to health so that your blood will be clearer and purer, your muscles

firmer, your nerves stronger and every organ of your body healthier than it every was before. He does not merely say he will do this; he guarantees it. Likewise if your nervous system is shattered, if you are on the verge of epilepsy and locomotor ataxis, if you are weak and impotent and your organs are shrunken, let your first move be to see Dr. Hathaway. He is famous the world over as a specialist in men's diseases, and has cured tens of thousands. He will put new life into you in a way that will astonish you. Those who cannot call in person should write, describing their case in their own words, and the doctor will tell them what to do, free.
