SALISBURY NEWS NOTES.

To Celebrate "Pythian Big Night," the 17th—Miss Ramsey Chosen Sponsor. To Arrest the Staggering—Other News. Special to The News. Salisbury, N. C., Feb. 10.—Mr. Eugene H. Bean, of this city, was one of the successful applicants at Raleigh this week for license to practice law. Mr. John W. Williams, of Richmond, Va., has arrived in Salisbury to take the position of assistant superintendent of the Virginia Life Insurance Company in this territory. The Salisbury and Spencer K. of P. lodges are arranging to jointly celebrate "Pythian Big Night," on the evening of the 17th inst. Salisbury is delighted at the selection by Gen. Julian S. Carr, of Miss Mary Ramsey, of this city, as one of the sponsors for North Carolina at the coming reunion of Confederate Veterans at New Orleans. The Old Fellows of Granite Quarry, one of Rowan's thriving villages, have agreed to bear the expense of lengthening the free school term at that place. This is a commendable step on the part of the members of the local lodge at that place. A University Alumni Association will be organized here next week. This is to be done through the efforts of Walter Murray, Esq., a graduate of an enthusiastic U. N. C. man. The Orphanage Committee of the Jr. O. U. A. M. held a meeting last night and took steps to further Salisbury's interests in behalf of securing the proposed orphanage of the North Carolina Juniors. A committee will make a canvass of the city soliciting contributions. Some weeks ago it was told in this correspondence of the big amount of cotton raised by Mr. H. Clay Grubb on his farms in Davidson county, just across the river. Mr. Grubb does all his traveling and hauling to this city via the Piedmont Toll Bridge and it is learned that his tolls at this bridge amount to between \$200 and \$300 a year. Mayor Boyden has instructed the police to arrest all persons found on the streets intoxicated to the extent of staggering. Heretofore the man with wobbly legs was given much rope so long as he did not reach the boisterous stage, but he will in the future have to "brace up" when he appears on the "cough up." The Salisbury and Electric Company are extending their gas mains to Spencer preparatory to furnishing the stores and residences at that place with gas. They are already supplying that thriving town with arc and incandescent lights.

SEVENTH SERIES.

Prof. Clinkscales to Address Men's Meeting at the Academy. The seventh of the successful series of greater meetings for men being promoted by the Young Men's Christian Association in the Academy of Music will take place tomorrow at 5 o'clock. As has been announced in this paper Col. John G. Clinkscales, professor of mathematics at Wofford College, Spartanburg, S. C., will be the speaker. Col. Clinkscales has chosen for the title of his address "The Faithfulness With Which Sin Keeps Its Record." The committee in charge want to urge every man in Charlotte to attend this service, which will be, beyond a doubt, one of the greatest meetings of the already very successful series. Col. Clinkscales is a most popular speaker and is constantly in demand for big public occasions in South Carolina. He is one of the best known men in his State and has served his State with distinction. He is best known as an educator, having been connected with at least two of the leading colleges of South Carolina. At present he fills the chair of mathematics at Wofford College, and is one of the most valued men of the faculty. The musical features of the meeting are noted elsewhere in this paper. The doors of the Academy of Music will be thrown open to the public at 1.30 o'clock and the meeting will begin promptly at 5 o'clock. All men are most cordially invited whether members of the Young Men's Christian Association or not.

SPEAKERS NAMED.

Mr. John McDowell Arranges For Speakers at Township Club Meeting. Mr. John McDowell, acting vice-president of the Mecklenburg Cotton Association, has secured a number of prominent and well informed citizens to address the farmers at their township club meetings. These speakers may be secured whenever and wherever they are desired by dropping Mr. McDowell a postal card; and he urges that the presidents of the various clubs over the county avail themselves of one of these speakers. Just at the present time the reduction of acreage for the 1906 crop is one of the main topics for the consideration of every farmer, and they should bear in mind the 25 per cent reduction of the 1904 crop which has been named by the Southern Cotton Association for the present year. The Mecklenburg branch, as well as the North Carolina Division, has advocated this reduction and this will be one of the most important points brought out by the speakers secured by Mr. McDowell. Among those who have consented to speak at these township meetings are the following: Messrs. W. M. Smith, Cameron Morrison, McD. Watkins, T. M. McConnell, B. T. Price, Dr. H. Q. Alexander and Captain W. B. Alexander.

Goes to Charleston, S. C. Mr. W. A. Fiton, who for several years has been the efficient accountant clerk in the office of the road-master of the Southern Railway, has accepted the position of chief clerk in the road-master's office at Charleston, S. C. Mr. Fiton left this morning for Charleston.
