**WHAT IS BROMONIA?**

Read the following carefully: If you have consumption or some of the contagious forms of blood poisoning we cannot cure you. We don't pretend to cure you. You need the individual treatment of some skilled specialist; but if you are run down in general health, if you have dyspepsia, are subject to fainting spells, a victim to insomnia, biliousness, kidney or liver trouble, catch cold easily, if your system is in that condition that you may become an easy prey to the disease germs of pneumonia, la grippe and the various epidemics, if you are bothered with constant headache, loss of memory, generally impaired vitality, we can help you, and, if you follow our directions, render your immune against sickness. Most skin disease can be cured by the use of "Bromonia."

"Bromonia" is to the human system what the scrubbing brush and soap are to the dirty washbowl. It aids Nature to resume normal action. It increases the strength, the fighting ability of the phagocytes of the blood; it promotes the healthy flow of the salivary and gastric secretions. If your stomach is in good condition, you are well. The Chinese are a wise people. They accost each other with, "How is your stomach?"

R. H. Jordan & Co. guarantee that, if you will write to the Bromonia Co., New York, giving your full name and address on the coupon at the bottom of this column, you will receive a full size package without any cost to you whatever.
