

KING AND PRINCESS MARRIED "IN OLD MADRID" TO-DAY

Alfonso, King of Spain and Princess Victoria, of England, were married this morning, in Old Historic Church in the Ancient Spanish Capital.

Dazzling Sunshine and a Bewildering Maze of Color Greet the Bride on her Wedding Day. The Streets Thronged with Joyous People.

By Associated Press. Madrid, May 31.—The marriage of King Alfonso and Princess Victoria was celebrated today.

King Alfonso and his bride left the church at 12:30 o'clock. The announcement of the wedding, by the firing of artillery salutes was wildly acclaimed by the people.

The city awoke under a cloudless sky, with dazzling sunshine adding its glories to the bewildering maze of color in which the streets were enveloped.

From an early hour the centers presented an aspect of extreme animation. The entire night had been passed amid a din of fireworks, singing and dancing and thousands of provincials, unable to secure shelter spent the night in cafes and in the streets.

At eight o'clock the crowds densely packed the main thoroughfares and troops took up their positions, stopping all traffic, and the whole city took on an air of feverish expectancy. The esplanade fronting the royal palace was occupied by regiments of royal guards in full gala uniforms, with glittering breast-plates and helmets. Troops lined both sides of the streets in solid ranks for miles.

As the King's coach appeared it was greeted by great roar, while the multitude wildly waved handkerchiefs, fans, and parasols. His Majesty could plainly be seen smiling and bowing to the popular greetings. He wore a uniform of Field Marshal, his hat surmounted by a sweeping white plume.

Immediately following the Royal coach came the bride's party. The appearance of the Princess, who was about to become their Queen, aroused the people to the highest pitch of emotion. The bride looked most charming and graciously acknowledged the continued ovations.

Princess Victoria came from Pardo Palace to Madrid early this morning, accompanied by her mother, Princess Henry of Battenberg and her ladies of honor and escorted by a regiment of royal guards.

The wedding cortege started from the royal palace at 9:30 o'clock, amid the ringing of church bells, firing of artillery salutes and clamorous enthusiasm of the crowds massed along the route.

Bomb Thrown at King.
By Associated Press. London, May 31.—A dispatch to the News agency from Madrid says a bomb was thrown at King Alfonso and Queen Victoria this afternoon and both escaped unhurt.

Where Outrage was Committed.
London, May 31.—The Reuter Telegram Company also has a dispatch from Madrid saying that a bomb was thrown at the King and Queen of Spain. This dispatch says the outrage was committed in the Calle Mayor as the King and Queen were returning from church to the palace where they arrived safely.

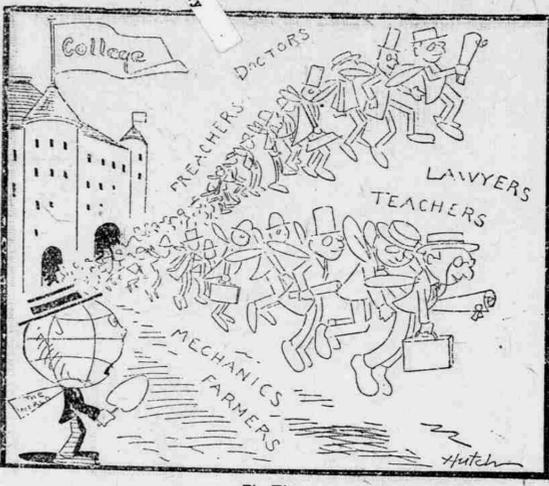

The News Agency despatch adds that an equestrian was wounded and a child and two horses killed by the explosion. A 14-year-old boy was arrested. It is further stated that the King and Queen behaved with the greatest calmness and that after the delay caused by the confusion they proceeded to the palace.

TWO MORE STATES.
Do not Want Encampment of National Guard.

By Associated Press. Washington, May 31.—Two more states have been placed upon the list of those that have found it inexpedient to join in the joint encampments of national guard forces with regular troops.

These are Rhode Island and Florida, and the reason in each case is that arrangements already have been made for the usual summer state camps, and not consistent with business encampments of the militiamen that they should be required to attend two separate encampments.

The Immunity Bill.
By Associated Press. Washington, May 31.—What is known as the Knox "Immunity Bill" as amended by the committee on Judiciary was passed by the Senate. The bill provides that "immunity shall extend only to a natural person who, in obedience to a subpoena gives testimony under oath or produces evidence, documentary or otherwise, under oath."

A. and M. Students Appear Before the Joint Meeting of Broad of Agriculture and Visitors and Urge Against Accepting Dr. Burkett's Resignation.

Special to The News. Raleigh, N. C., May 31.—The State Board of Agriculture and board of visitors of the A. M. College were in joint session yesterday afternoon and last night considering matters connected with the college, a notable feature of the session being the appearance before the board of the agriculture students of the college to urge that the resignation of C. The board is hearing reports from the College Visitors, President Winston and members of the faculty are planning to adjust affairs for protection against a recurrence of clashes between students and faculty such as have seriously disturbed the last session.

The graduating exercises of St. Mary's School were held this morning at 11 o'clock. The diplomas were presented by Rt. Rev. James Blount Chesire, bishop of the Diocese of North Carolina. His charge to the young ladies in presenting the diplomas was beautiful and especially appropriate.

The session just closed has been one of the most successful in the history of the school and the outlook, so the trustees declare is for a large increase in the enrollment for the opening of the fall term.

Miss Ann Saunders, for the past fifteen years connected with St. Mary's School as matron and more recently chaperone for the girls, died last night aged 70 years and her remains were carried this morning to Scotland Neck for interment. The deceased was a sister of the late William L. Saunders, for several terms secretary of state.

GOVERNOR GLENN HERE.

He Says the Wadesboro Lynchers Must be Apprehended.

Governor R. B. Glenn arrived in Charlotte last night from Wadesboro. Early this morning the Governor was seen by a News representative and asked concerning the condition of affairs at Wadesboro, growing out of the lynching of J. V. Johnson last Monday. He stated that Judge Walter Neal was conducting a secret examination at Wadesboro and he was sure that some of the men who formed a part of the mob that carried Johnson to his death, will be apprehended.

Before leaving Wadesboro last night Governor Glenn was told by the sheriff of Anson county that 18 or 20 warrants were issued for as many men who are alleged to have taken part in the lynching of Johnson.

Governor Glenn went to Wadesboro, he says, for no other purpose save to ascertain the guilty parties. He says that at the backing that the State can possibly give, will be given to Solicitor Robinson and the gentlemen associated with him in the prosecution of the members of the mob.

Governor Glenn left Charlotte at 11 o'clock for Winston-Salem where he will spend a day or two before returning to Raleigh.

The jury acting upon the instructions from Judge Peebles, who said that the State had failed to incriminate the defendants with crime except the testimony of Sallie Stewart, and that he would not convict or hang a "Yaller" dog upon her evidence. The case was disposed of without argument by counsel.

By Associated Press. Detroit, May 31.—The Steamer Erin, upbound and towing the schooner Danforth was run into and cut in two by the Steamer Cowle in St. Clair river early today and five members of the crew were drowned.

The collision occurred during the fog. The Cowle is a modern steel freighter and is thought to have been much damaged, while the Erin was a wooden vessel of the old type.

THE SOCIETY WILL LIKELY ADJOURN THIS AFTERNOON

Many of the Physicians Left on the Early Morning Trains and Many will Leave this Evening. The Charlotte Meet is Said to be the Best in History.

The Morning and Afternoon Sessions were Devoted to Routine Business. The New President was Introduced to the Society this Afternoon.

This has been a busy day with the North Carolina Medical Society though nothing has occurred of a sensational nature.

The third day's session was called to order by President E. C. Register this morning at a few minutes after 10 o'clock and routine business was at once gone into.

The reading of a number of papers took up all the time of the morning session.

It is very probable that the fifty-third session of the Society will come to a close before the arrival of the hour for afternoon adjournment. When a recess was taken at 1 o'clock this afternoon, it was generally understood that there would be no night session to-day. In fact a large proportion of the physicians left Charlotte on the morning trains.

The present session has been one of the most enjoyable in the history of the Society. There is no doubt but that the doctors have been right royally taken care of. Every one says he has enjoyed his visit and would like to return to Charlotte next year.

This afternoon the new president of the Society, Dr. S. D. Booth, of Oxford, was introduced to the members of the body. Dr. Booth has many friends among the doctors of the State, all of whom are glad that he has been so honored.

Owing to the absence of so many of the members of the different committees, no reports were handed in either at the morning session or the session this afternoon. These will be submitted direct to the officers of the Society.

His talk was greatly enjoyed by everyone present.

MOTHER SEARCHES FOR HER CHILDREN FINDS THEM DEAD

Three Children of Mrs. Van Slette of Illinois, Disappear. After Search they are Found Dead in a Trunk in an Upstairs Room of Their Home.

Two were Lying in the Bottom of the Trunk and the Other Sitting Upright in It. Were Eight, Six and Two Years Old Respectively.

By Associated Press. Kenosha, Ill., May 31.—After four hours search for her three youngest children, Ida, aged eight, Roselle, six and Pearl, two years, Mrs. Adolov Van Slette found them last night, dead in a trunk in an upper chamber. The children had been playing out of doors much of the day, listening to music and watching a martial display. Late in the afternoon they went into the house to continue romping.

Supper time came and Mrs. Van Slette's calls through the house and yard failed to bring any response.

At last the mother observed an old fashion trunk from which the tray had been taken and was lying on the bed. Mrs. Van Slette lifted the lid and saw her two babies lying on the pillow in the bottom of the trunk. Ida was sitting upright, her head drooping on her breast. The children were so still that Mrs. Van Slette stood in sympathetic stillness for an instant. Then she put forth her hand and touched Ida and spoke. The contact with the girl's head and lack of response froze the woman with horror. The children were dead.

THE RECORDER'S COURT.
A Full Docket Disposed of this Morning by the Recorder.

The recorder had a full docket this morning and one that required nearly two hours to dispose of.

Sherman Ingram went to Salisbury yesterday to take part in decorating the graves of the Union soldiers buried there. He seems to have forgotten his mission for he tanked up and arrived home in a drunken state. Ingram is very deaf and it was with great difficulty that the Recorder made him hear at all. He denied that he was very drunk, saying that he only took a dram or two. But there were men on the train who saw Ingram and they say he was "loaded for bear." The Recorder fined him \$5.

Lewis Reynolds, a weaver by trade, who claims Columbia as his home, was found asleep in a freight car yesterday morning. Reynolds claimed that he got some whiskey at Winstboro and he does not remember what became of him. He was fined \$10, and being unable to pay, he went to jail.

Jim Gaffney, for an assault, was sent to the roads for 30 days.

William Henry, charged with beating a ride on a train, was made to pay the costs.

Sam Johnston charged with being drunk was fined \$5 and the costs.

John Blake, charged with beating a ride was made to pay the costs.

COL. SMITH'S TERM OUT.
As One of the Board of Police, Fire and Health Commission.

The board of aldermen will hold their regular meeting next Monday night and several interesting matters will come up.

At this meeting a successor to Col. A. L. Smith, chairman of the fire committee of the Police, Fire and Health Commission will be named. Col. Smith was elected for the short term and his commission expired the first of May. His successor was not chosen at the last meeting of the board, therefore he will serve until his successor is named. While Col. Smith is not a candidate, he will, it is understood, continue to serve if he is again chosen.

Another matter of some importance will be the disposition of a number of mattresses that were purchased by the entertainment committee for the use of visitors. It is thought that probably the city can make use of a number of these.

The usual reports from the different heads of departments will be submitted and quite a lot of routine matters will be attended to.

Suit Against the Southern.
Joseph P. Brown, administrator, through his attorneys, Pharr and Bell, has entered suit against the Southern railway for \$12,000 because of the killing of Clarence Connor, near Mooresville, several months ago. The complaint alleges that Connor met his death as the result of negligence on the part of the defendant company.

At the time of his death Connor was a brakeman on the Statesville road.

President Returned.
By Associated Press. Washington, May 31.—The President and party returned from Portsmouth this morning.

Mr. Angie Duke, of Durham, spent today in the city coming here through the country in his touring car.
