The Best Guaranty of Merit Is Open Publicity.

Every bottle of Dr. Pierce's world-famed medicines leaving the great labo-ratory at Buffalo, N. Y., has printed upon its wrapper all the ingredients entering into its composition. This fact alone places Dr. Pierce's Family Medi-cines in a class all by themselves. They cines in a class all by themselves. They cannot be classed with patent or secret medicines because they are neither. This is why so many unprejudice? physicians prescribe them and recommend them to their patients. They know what they are composed of, and that the ingredients are those endorsed by the most eminent

medical authorities.

The further fact that neither Dr.
Pierce's Golden Medical Discovery, the great stomach tonic, liver invigorator, heart regulator and blood purifier, nor his "Favorite Prescription" for weak, overworked, broken-down, nervous women, contains any alcohol, also entitles them

ative of the medicinal principles residing in our indigenous, or native, medi-cinal plants than is alcohol; and, further-more, that it possesses valuable medicinal properties of its own, being demulcent, nutritive, antiseptic, and a most efficient

antiferment. Neither of the above medicines con-tains alcohol, or any harmful, habit-forming drug, as will be seen from a glance at the formula printed on each bottle wrapper. They are safe to use and

Not only do physicians prescribe the above, non-secret medicines largely, but the most intelligent people employ them -people who would not think of using the ordinary patent, or secret medicines. position of Dr. Pierce's medicines has the strongest kind of an endorsement from leading medical writers of the several schools of practice. No other medicines put up for like purposes has any such professional endorsement. Dr. Pierce's Pleasant Pellets cure con-

stipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggood." Easy to take as candy.
