

National Corn Exposition to Hold Big Convention Soon

Columbus, O., Jan. 10.—The program for the fourth annual National Corn Exposition, to be held Jan. 30 to Feb. 15, in the eight immense buildings on the Ohio state exposition grounds has just been completed, and provides for one of the greatest national agricultural exhibitions ever held in the world.

The buildings are connected by enclosed walks, customarily heated and brilliantly illuminated, in all resembling a great summer garden with paths and plants and tender growing crops, giving the visitors a whiff of nature which will more remind them of a balmy June day than of the winter season.

This great national corn exposition will be a grand round-up of all state agricultural shows and agricultural meetings. The name "corn exposition" does not mean that only corn will be shown, for all grains and grasses, the prize winners only, at the various state shows, will be in competition for the valuable national trophies.

More than 35 states will have competitive exhibits. Twenty-five state agriculture colleges and experiment stations will have scientific exhibits, each demonstrating its most advanced experimental work. These exhibits, which will be in charge of expert demonstrators will deal, in a practical way, with nearly every phase of the science of agriculture. For instance, North Carolina will emphasize the cotton industry—from the growing plant to the manufactured article—with cotton gin and loom in actual operation, while Illinois will especially emphasize its soil work. Never before in the history of the world has there been such a showing of results in agriculture, based on scientific investigation.

The federal governments should be represented with its famous exhibits, which will have been returned from the international exposition at Buenos Ayers.

Important among the many meetings, exhibits and other special features of this greatest of agricultural exhibitions may be mentioned the meetings of the American Breeders' Association, the Ohio Dairymen's Association, the National Rural Life Conference, the Ohio Conservation Association, the Ohio Corn Improvement Association and numerous live stock associations. There will be special features of vital interests to the Y. M. C. A., churches, colleges, schools, the farmer, and the city man and their families alike.

Special entertainment features will include a two-acting winter circus, hand concerts with vocal soloists, and moving pictures.

Speakers of nationwide reputation will deliver addresses daily on the national corn exposition program.

The program for the fourth annual National Corn Exposition to be held in the group of eight buildings on the Ohio state exposition grounds, Jan. 30 to Feb. 15, is as follows:

First Week.

Monday, Jan. 30.—Official opening day. Official opening exercises in evening at 8 o'clock in exposition auditorium. Tuesday, Feb. 7.—Opening of National Rural Life Conference. Vital problems in agriculture will be discussed. Meetings and conferences.

KILL MORE THAN WILD BEASTS.

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, waste, dust, even food. But grand protection is afforded by Electric Bitters, which destroy and extract these deadly disease germs from the system. That's why chills, fever and ague, all malarial and many blood diseases yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. Money back if not satisfied. Only 60c at W. L. Hand & Co's.

will be of interest to every one. Plan to attend and participate in discussions. Great mass meeting in forenoon. Dr. L. H. Bailey, dean and director of the New York Agricultural College of Cornell University, ex-chairman of the Roosevelt Country Life Commission, chairman, "Commercial Co-Operation in the Rural Community," will be the topic. In the afternoon, Dr. Bailey will deliver an address on the same subject.

Wednesday, Feb. 8.—Address by A. E. Roberts, international secretary of the County work department of the Y. M. C. A. Dr. Warren H. Wilson, superintendent of the Church and Country Life Board of Home Missions of the Presbyterian Church, will speak on "The Country Church and Community." Afternoon: Addresses by Whitel M. Hays, assistant secretary of agriculture; Prof. A. B. Graham, of Ohio State University; and Miss Mabel Carney, of Cheney, Wash., bearing on the problems of the rural school.

Thursday, Feb. 9.—Keynote L. Butterfield, president of Massachusetts Agricultural College, and ex-member of the Roosevelt Country Life commission, chairman of mass meeting in morning. "Social co-operation in the rural community" will be discussed. Mr. Butterfield will deliver an address on the same subject in the afternoon.

Friday, Feb. 10.—"Co-operation between producer and consumer" will be the topic. Prominent economists and representatives from the cooperative organizations of all sections of the country will join in the discussions.

Saturday, Feb. 11.—States' Day.—Program of interest to representatives of every state and every country. Exhibits will remain intact until midnight.

Class Football Games

Special to The News.

Davidson, N. C., Jan. 10.—The candidates for the various class football teams have been out in full force during the last few days, giving the campus very much an early autumn appearance. Under the arrangements each class plays two games with each other class, making a total of 12 games. The winning class in the series gets possession of a silver loving cup. The games will begin now in a week or two and will provide entertainment for the athletically inclined until the baseball season opens.

Baseball Schedule.

Manager J. P. Moore is still at work on the baseball schedule, having completed this part of the work with the exception of arranging games with the University. Although at the present the managers of the two teams have not made final arrangements, it is hoped here at Davidson that the Red and Black and the Blue and White will meet for at least two games. Should the games be scheduled, it is more than likely that one of them will be played in Charlotte. Although it is quite early to make any predictions, Davidson is expected to put out a very creditable team. DeWitt Kluttz is the captain of the team, while Mr. Garman, Charlotte's first baseman, has been secured as coach.

Wake Forest College has submitted as the subject for the Wake Forest-Davidson debate: Resolved, that the United States should justify the Panama canal. As yet, Davidson has not decided which side of the question she will take, as the Presbyterians are allowed 10 days in which to make their choice. The debate will be held in Greensboro on Easter Monday, and will be the third and deciding contest as to which college is the winner.

The junior class is making preparations for junior speaking, which will take place about February 22nd. This occasion is, exceeding commencement, the most elaborate of the entire year, a number of visitors coming here for the speaking.

The sophomore class is preparing to hold their annual banquet in Charlotte.

Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so?

The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

Farmers' Union Meets.

Special to The News.

Statesville, N. C., Jan. 10.—The Irrell County Farmers' Union, in annual session, elected officers for the ensuing year.

The reports of the officials, as read before the meeting, show that the Union is making considerable progress in the county.

Mrs. Goodin, wife of Mr. Crowell Goodin, died early yesterday morning at her home in Bloomfield and was buried last afternoon at Oakwood cemetery.

Chronic Diseases of Men and Women

If you are suffering from any disease and have not been able to get better, see Dr. Moss at once and have a thorough examination. The doctor has the confidence of the people by being on the square and honest with the public. No deception, no false promises. If you are afflicted with Blood Poison, Nervous, Decline, Catarrh of Head, Throat or Lungs, or any stomach and Liver Trouble, Piles, Rheumatism, Femoral Diseases of long standing, or any chronic disease of any nature, I extend a cordial invitation to call and consult me free of charge. Those who know me and know my office know I am an enthusiast over my work, and while I have to have pay for my work as a matter of course, my charges are not based on seeing how much I can scare and squeeze out of some poor unfortunate piece of humanity. If you will appreciate honest business methods and conscientious service, I shall be pleased to see you at my office. A personal visit is preferred, but the fact that you are out of town and cannot call need not deprive you of my services. If you cannot call, write for particulars, mode of treatment, prices and terms. Letters and office calls are free and confidential.

High Point News Notes.

Special to The News.

High Point, Jan. 10.—The new county buttons are out and every man seen on the streets today was tagged "Me For Piedmont." There is general satisfaction over the steady progress in the new county movement. Bunches of representative men go down to Raleigh headquarters every day and bring back encouraging reports.

At the last meeting of the stockholders of the Union Furniture Company Mr. W. B. Thomas was made a stockholder and elected vice-president of the company.

Mr. George Gould is to build a new hunting lodge out at his place just a few miles out of High Point. The Sunday school room as well as the main auditorium of the First Baptist church were packed Sunday night when the funeral services of Rev. O. L. Powers were held.

Perhaps the reason widows so often meet again is because dead men tell no tales.

Caldwell Teachers Meet.

Special to The News.

Lenoir, Jan. 10.—Caldwell County Teachers' Association met in the graded school building here last Saturday and an interesting program having been arranged was carried out by the teachers. Several interesting papers were read pertaining to discipline, health and spelling in the public schools.

The graded school at this place has reached its high water mark for attendance since its establishment more than six years ago. The enrollment during the year 1909-10 reached 572 and last fall when the institution opened the enrollment reached a total of 589.

Man is a Failure

When he has no confidence in himself nor his fellow men.

When he values success more than character and self-respect.

When he does not try to make his work a little better each day.

When he becomes so absorbed in his work that he cannot say that life is greater than work.

When he lets a day go by without making some one happier and more comfortable.

When he tries to rule others by bullying instead of by example.

When he values wealth above health, self-respect, and the good opinion of others.

When he is so burdened by his business that he finds no time for rest and recreation.

When he loves his own plans and interests more than humanity.

When his friends like him for what he has more than for what he is.

When he knows that he is in the wrong, but is afraid to admit it.

When he envies others because they have more ability, talent, or wealth than he has.

When he does not care what happens to his neighbor or to his friend so long as he is prosperous.

When he is so busy doing that he has no time for smiles and cheering words.

True as preaching. This also is true: The place to buy your insurance is at Insurance Headquarters, where you get the best insurance on the market.
