THREE SOUTH AMERICAN BEAUTIES.

Three types of beauty from Chili, South America. John H. Hanan, a New York millionaire, who recently returned home after an extended trip through South America, brought these three photographs from Chili and proclaims them the prettiest women in the world.

Helene, Mr. Hanan says: "I have met many beautiful women during my career. Some of them were classed as raging beauties of Newport, some were noted in New York and in Paris. But of all the women I have seen I must say most emphatically that those I saw on my recent trip to South America are the finest. And of these I put those of Chili in the front row, with particular reference to the women of Santiago and specific attention to the wives of the three government officials, shown above.

\$3.50 Recipe Free For Weak Men

Send Name and Address Today—You Can Have it Free and Be Strong and Virgorous

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop drugging himself with harmful patent medicines, secure what I believe is the quickest-acting restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.

Bill Nye Day in Public Schools

Special to The News. Raleigh, Jan. 18.—Wednesday, February 22, has been appointed by Hon. J. Y. Joyner, state superintendent of public instruction, as "Bill Nye day" in the public schools of North Carolina.

Superintendent Joyner has been in correspondence with the Bill Nye memorial committee of the North Carolina Press Association for some time, and the final arrangements were completed today after a conference with Mr. J. P. Cook, treasurer of the committee. The program for use in the schools, embracing the instructions from the state superintendent to the county superintendents and the teachers, will be sent out by the committee in ample time. Incidentally, the movement contemplates voluntary contributions from the school children to the Bill Nye memorial fund, which is to be applied to the erection of a handsome building at the Stonewall Jackson Manual Training School at Concord. Every child in the state attending a public school, will be asked to bring one penny or more on Thursday following Bill Nye day, which will be applied to this purpose.

Superintendent Joyner is taking most kindly interest in this great movement, and has responded nobly to the petitions of the committee, a co-operation which is heartily appreciated by the committee, as well as all the editors of the state, who are deeply interested in the memorial cause.

Big Suit Filed.

Memphis, Tenn., Jan. 18.—Because of the alleged failure of the Gulf Compress company to deliver cotton for which bills of lading had been issued, the Illinois Central Railroad Company has entered suit against the Fidelity and Guaranty Company of Maryland, seeking to recover \$30,000, the amount of losses which the railroad company asserts they sustained on account of the non-delivery of the staple. The guaranty company, it is set forth, warranted that the railway would suffer no losses while acting as carrier for the compress company, which recently was placed in the hands of a receiver. The suit was filed in chancery court yesterday.
