State Primary Bill Passes.

Senator Hobgood called up his state primary bill for third reading and Senator Haymore offered an amendment that the bill shall not apply to the republican party. This was voted down.

Senator Bassett offered an amendment to exempt any party in any county by resolution of the county executive committee of that party if adopted prior to July 19, 1912. This amendment was lost by a vote of 29 to 15.

The bill then passed third reading by the same vote and was ordered engrossed and sent to the house. This concluding one of the most brilliant and most desperately fought contests of this session on the floor of the senate. The lines were strongly drawn and the concentrated energy and efforts of the younger members of the senate finally won a great victory by a decisive majority. The fight is now transferred from the senate to the house.

Wake Forest Bill Held Up.

On motion of Senator Kitchin the senate reconsidered the vote by which the bill amending the charter of Wake Forest passed this morning and the bill took its place on the calendar.

Unfavorable Reports.

Bills reported unfavorably were: Amend the Revised as to insurance; amend the road law of Lincoln county; prohibit the sale of non-safety matches; provide automatic gates on rural free delivery routes; prohibit sale of near-beer within three miles of a church in Bladen county.

Fish Commission Bill.

On objection by Senator Davis the bill to appoint a fish commission was referred to committee on fish and fisheries.

State Highway Commission Bill Defeated.

The bill to encourage road building in North Carolina by state aid through the state issuing 5 per cent bonds and letting the counties have the proceeds on 4 per cent bonds for road building came up in the senate as amended by the house. It was explained that the senate had formerly passed the bill to provide for the state highway commission but struck out the sections providing for bond issue by the state and that the house, in its turn, struck out the highway commission feature and restored the state bond issue feature.

that the ultimate bond issues by the state under the provision of the bill might reach sixteen million dollars.

Senator Bassett is opposing the bill complained that the legislature might be permitted to legislate without interference by state administration officials and employees.

Senator Thorne stated that he felt like apologizing for any criticisms he had made against the Standard Oil Co., American Tobacco Co. and the railroads. They were beat a mile by these state administration lobbyists.

The discussion continued until 2:20 o'clock, other advocates of the bill being Baggett, Graham, Sikes, Starbuck, Haymore. Those opposing the bill were Senators Martin, of Buncombe, Hicks, McLocklin, Kitchin, Hartsell, Barnes.

An amendment by Starbuck safeguarding the bond issue was adopted but the bill then failed to pass second reading, the vote being 23 to 19 against the passage.

The senate adjourned to 4:30 o'clock.

THE HOUSE—THURSDAY—FIFTY-EIGHTH DAY.

The house convened at 9 o'clock; Speaker Dowd in the chair; and Prayer by Rev. Dr. O'Kelly, of the Baptist church.

Prudence Suggests It

The prudent man will insure his house against fire and his life against death. Why? In order that he may have money to build if his house is destroyed, and in order that those dependent on him may have means of support if his life is taken. No prudent man ever doubted the insurance investment. Isn't that a fact? The prudent man will lock up his valuables. Why? In order that he may know they are safe and secure. To lose them means a financial loss. No one ever doubted the wisdom of locking up and making secure articles of value? Well, we are here to tell you that the prudent man also always has in his home a bottle of Gowan's Preparation. Why? Because it is known that in cases of Croup, of Colds, of Coughs, of anything where inflammation is the seat, Gowan's Preparation will allay the pain; will scatter the congestion and thus save a spell of sickness, or maybe life itself. This is not hearsay evidence. It is the evidence of thousands who have used it. Not only their oral testimony, but thousands have voluntarily, unsought and unasked, written the Gowan Medical Company testimonials endorsing Gowan's Preparation. They say it does all that is claimed for it. Then why will not the prudent man (or woman) see to it that a bottle of this invaluable preparation is always ready for emergency cases? It comes in three sizes, 25c, 50c and \$1. All druggists sell it and it is external and therefore safe to use.
