

# Sixteen Aldermen For Hawkins

The Bland Management says there are eight aldermen running without opposition WHO ARE FOR DR. BLAND'S CONSTRUCTIVE AND PROGRESSIVE POLICIES. They mean, evidently, Hawkins' policies, recently adopted by Dr. Bland as his platform.

There are not eight aldermen running without opposition and therefore bound to be elected, who are FOR DR. BLAND. If so, NAME THEM.

This is like some of the other "inaccurate" statements of the "Bland Management."

But this is true—of the 21 members of the present board of aldermen, who have served with Mr. Hawkins and seen his thorough, efficient and capable attention to the city's affairs. THERE ARE SIXTEEN IN FAVOR OF HIS RE-ELECTION.

They were not all "Hawkins Men" two years ago, either.

But they have watched Hawkins. They have seen his fairness and impartiality.

THEY KNOW HIS ABILITY IS EQUAL TO THE TASK.

The fact is this: the city needs no "horse swapping" at this time.

The honesty of Mr. Hawkins has

been attacked, and the attack has reacted on those responsible for it.

Circulars gotten up by the "Bland Management" and passed on by at least four of the leaders—the proof sheets read by two of them—were withdrawn from circulation "for correction only."

WHEN WERE THEY WITHDRAWN?

WHEN ATTACKED AND DENOUNCED BY THE HAWKINS MANAGEMENT.

What excuse do they make now for their attack on the good faith of Mayor Hawkins and Chairman Watson, the latter of whom they have endorsed for alderman?

WHY, THE ELAME IT ON SOMEBODY ELSE.

Then up and say: "Since the facts for the most part have to be obtained from the City records, the public will at once realize the difficulty of an outsider getting the exact figures in every detail."

This effort to put the blame for their inaccurate statements on the city's efficient and courteous officials, who have rendered every assistance possible, will not be well received by those who know the gentlemen now in the offices at the city hall.

### Dr. Hulten Pleases Chester People

Rev. Dr. Hulten, pastor of the First Baptist church, of this city, is holding a very interesting and successful meeting in Chester, S. C. The interest taken in the meeting has prompted their continuance for a week longer than was anticipated.

"The Chester reporter has the following account of the meeting:

"Despite the steady downpour of rain yesterday there were good crowds at the Baptist church to hear Dr. H. H. Hulten, the gifted pastor and evangelist who has been doing such effective preaching during the last week. At the two services yesterday there were sixteen sermons, with signs of deep interest on the part of others.

"Dr. Hulten has agreed to remain in Chester all this week, and will preach each night at eight o'clock. More forceful and earnest presentation of God's Word has never been heard in Chester; and those who have not yet attended these services should lay aside everything else during the remaining days of the meeting and attend. Dr. Hulten's sermons are clear and simple, yet at the same time illumined with a wonderful brilliancy. The meeting has already resulted in great good, and seems destined as it goes on to work a genuine revival."

## The Business Men

You merchants, large property owners, manufacturers, home owners generally, are you taking any interest in this election? "Well, you know it will hurt our business. We can't afford to take either side. Mr. Hawkins buys collars from us, and Dr. Bland gets his socks at Cousin William's store." Ye gods and little fishes! A yellow dog deserves more respect than such a miserable being as that. If my old yard dog didn't have grit enough to take a side in the neighborhood fights, I'd send him to the crematory. These namby-pamby, milk-and-water, hands-off fellows are a disgrace to the community. Say something. If you can't smile and say, "God bless you, Old Boy," say (—) (—) with your man." but quit being a negative something, be a man. I'd be ashamed for my neighbors to say of me, "you can't tell how he stands—you can't put your finger on him."
