Mayor Rhett Opens Game

By Associated Press.
 Charleston, S. C., April 3.—Mayor R. Godwin Rhett, the first man to throw a curved ball in Charleston and a former baseball star of the University of Virginia, will formally open the Charleston-Savannah game this afternoon at Hampton Park by twirling the first one to the plate. Steele and Leary will be the battery for the visitors, while O'Hern and Luskey will hold the points for Ransick's team. As Charleston has been without professional baseball since June, 1909, the town is wonderfully enthusiastic, many business houses allowing employees a half holiday in order to enable them to see the initial contest, splendid attendance being assured. Manager Mazon and Manager Hansick are not making premature predictions about the result but both say they are satisfied with the prospects. The weather is ideal for baseball.

Savannah Autoists Will Be Here May 11

Charlotte is to be the terminus of a three days' automobile endurance run from Savannah, Ga., which is to end here on Thursday, May 11th. The event is to be under the auspices of the Automobile Club of Savannah and the purpose of the run is to demonstrate the feasibility of considering Savannah as a point on the National Automobile Highway.
 Forty or 50 cars will be entered. The first night's stop will be made in Columbia. Handsome prizes will be awarded to the winners in the different classes.

NI-NEWS OF SPORTS

By Terry Cleaton.

If this cold weather continues there will be but little speedy ones thrown by the pitchers. All the Hornets are practicing each day, but haven't gotten down to real hard work yet.

Fans in Wilmington want a four-club league to take the place of the Eastern Carolina.

Burt Hudson is to wrestle in Greenwood, S. C., tonight. Wonder who he has fooled this time.

Lave Cross is one of the happiest looking men in baseball. He is jolly with all his players, but he gives them strict instructions about deportment.

Davidson and A. & M. will be here Saturday, and next Monday the Charlotte people get an opportunity to witness Carolina and Virginia, the old rivals, in action.

Not even the municipal campaign can dampen the ardor of the fans of the "Green City." As between politics and baseball, it's hard to choose which is the most fascinating.

That certainly must have been some game played in Greensboro. Rabbit Doyle will have to do a little better at his first managerial trial.

TEN TEAMS IN WALKING RACE

By Associated Press.
 Indianapolis, Ind., April 3.—Ten teams, representing practically every nation of this country and including several foreigners, have entered in a six day walking and running race which starts here this afternoon at Tomlinson Hall. The meet is being promoted by Dan O'Leary, former world champion pedestrian who offers prizes aggregating \$1,750.
 The walkers will go in the afternoons and their team mates will run in the evenings.

Mothers, get Mother's Joy and save your little child from suffering with colds, croup and pneumonia.

SALLY LEAGUE OPENS TO-DAY

By Associated Press.
 Columbia, S. C., April 3.—Fulenwider and Covey for Columbia, Neel and Menefee for Augusta, are the batteries for the game this afternoon at Elmwood Park, on the first day of the South Atlantic League's eighth season. A big baseball parade preceded the game with the teams and the city officials leading in motor vans with a brass band. The Columbia team has a new name, "Commissioners," from Columbia having been the first city in this section to adopt the commission form of government.
 The Tourists (Augusta) have a manager new to the South Atlantic League, Tommy Stoner, who last year, as manager at Greenville, won the Carolina Association pennant. Manager Covender of the Commission's, today released Joe Vann, George Doerhoefer, Husky Martin, and Sam Hill. The pitchers retained are Fulenwider, Clark, Barry, Sterling and Powers.

There will be no annulment of the marriage without a fight. The beautiful Mrs. Pierce does not propose to sit quietly while the father of the young man, through his attorney, endeavors to have the marriage set aside on the ground that last November, when Mrs. Pierce led Mrs. Chapman to the altar, he was incompetent and mentally irresponsible for his action.
 Pierce, who a few years ago, was one of the brightest young men in Harvard, is now a guest at an upstate sanitarium. Just how quickly he became a candidate for the place noted for the many rich patients in charge of a noted alienist was told today.

"In order that the full significance of his being placed there may be understood," said a friend of the bride, "you want to look back over the history of the case.
 "There was no prettier girl in all Boston than Bessie Faulkner when at seventeen she became the wife of young Chapman. She had been on the stage, but it was not her beauty that led her there. She had ability, and all her friends believed that when the opportunity offered she would prove she had exceptional talent.
 Her marriage to the Boston broker changed all this. Bessie Faulkner comes of a very good family with a history that has been identified with the growth of New England."

CHRISTIAN SCIENCE HEALER

Willis Vernon Cole, of New York, the Christian Science Healer, who was recently indicted by the Grand Jury on the charge of practicing medicine without a license. Mr. Cole is one Scientist of the most prominent Christian Scientist healers in the state and his finely appointed offices on Fifth avenue have been visited by many prominent persons in society and financial circles. The criminal prosecution of Mr. Cole is welcomed by Christian Scientists, as it will serve as a means of securing a judicial interpretation by the highest court of the Public Health law. The evidence against the indicted man was obtained by Mrs. I. Goodwin, a police matron and Mrs. F. Bonzeary, of the Country Medical Society, who have testified that they had been treated by him and that he charged them \$250. The Christian Scientists are all lined up behind Mr. Cole, and if the case goes against him in the lower courts, it will be carried to the supreme court of the United States.

More Matrimonial Troubles Aired

New York, April 1.—One hundred thousand dollars, it was said today, has been offered to Mrs. Bessie Chapman-Pierce to remain away from Goshen, N. Y., next month, when the suit brought to annul her marriage to Roy E. Pierce will be brought to trial. It is said Mrs. Pierce has indignantly spurned the offer made by the millionaire father of her husband.
 Attorneys for the Pierce family, it is said, are contemplating an action against the bride. Their allegation is that in obtaining the license perjury was committed. They assert that the young woman stated she never had been married before. At the time she was the divorced wife of T. Irwin Chapman.
 The marriage, it is said, was performed in this city, not in Boston, and the license was obtained here on November 14. Mrs. Pierce gave her name, it is said, as Elizabeth Perry and Pierce said he was Roy Ensworth, which is only two thirds of his name.
 Mrs. Pierce today left home at No. 220 West Fifty-Ninth street and is now said to be at Laurel in the Pines, Lakewood, N. J.

There will be no annulment of the marriage without a fight. The beautiful Mrs. Pierce does not propose to sit quietly while the father of the young man, through his attorney, endeavors to have the marriage set aside on the ground that last November, when Mrs. Pierce led Mrs. Chapman to the altar, he was incompetent and mentally irresponsible for his action.

Trinity Takes Second Game

Special to The News.
 Durham, N. C., April 1.—In a sensational game this evening, Trinity took the second consecutive game from Swarthmore by the score of 3 to 4. Thompson for Trinity made five hits in as many times up.
 The score:

 Swarthmore... 301 000 000—4 4 3

"Another 'Innocent Bystander.'"
 A. N. Crowder, a young white man, got himself into trouble by trying to sell a pistol that some other man had asked him to dispose of. He was arrested for carrying a concealed weapon, but the extenuating circumstance saved him a heavy fine. He was asked to pay only \$10 and costs, the usual fine being \$25 and costs.

Don't kill time. It will come back and haunt you.

"Woman is a riddle," remarked the Wise Guy. "Yes," agreed the Simple Mug, "she keeps us guessing, and we hate to give her up."
