St. Mary's College Nine Walloped The Cross Aggregation

A nine from St. Mary's school in Gaston county came here yesterday afternoon and literally whaled the stuff out of the future Hornets, the score being 16 to 2 when the final season was over. Rousseau pitched for the collegians and he was in big league form, permitting but three singles, Cross, Garman and Counts accepting these. Hankie and Cummings were on the mound for Charlotte and collectively they allowed thirteen hits.

It was a great game, though. It was one of those exhibitions where a hit means a run and a run came along momentarily. The boys from St. Mary's school were happy for they had the satisfaction of walling the pennant winners in the Carolina Association this year.

Manager Lave Cross told his young players not to over-exercise themselves in the name. He thought such a thing would injure their arms, and those Hornets obeyed instructions to the letter. They were careful.

There wasn't a crowd of very great dimensions at the park when the game started and as time rolled on the crowd got no larger. But the game was a great one. It did the heart of a fan good to sit back in the grand stand, away from the shrieking mob, and look upon a man hitting a sphere far away to clean territory. It was great.

Some fellow fixed up this score. It's a good one. Read it with care:

Game at Chicago.
By Associated Press.
Chicago, April 12.—A drizzling rain took the keen edge off the hopes of baseball enthusiasts early today and prospects for the opening game of the season, scheduled between the St. Louis and Chicago National League Clubs, looked poor.

The United States weather bureau predicted showers during the entire day, but an attempt will be made to play unless the downpour becomes heavier.

\$3.50 Recipe Free For Weak Men

Send Name and Address to day—You can Have it Free And be Strong And Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened memory, failing memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain this manly power and vitality, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription sealed in envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop druging himself with harmful patent medicines, secure what I believe is the quickest-acting restorative, upbuilding SPOT-TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 4510 Luck Building, Detroit, Mich., and I will send you a copy of this splendid receipt, a plain ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.

OPEN SEASON FOR BASEBALL IN METROPOLIS

By Associated Press.
New York, April 12.—Baseball came into its own for 1911 today. At the Polo grounds the New York Nationals and the Philadelphia Phillies will open the season's play. The National League Weather prospects were better than the most sanguine had hoped for, the day starting clear and the air was degrees milder than for days past.

Major Gaynor was scheduled to toss the new ball to start play. Manager Doolin early announced that his pitching selection would be Earl Moore, with the over-manager himself at the receiving end. McGraw was less communicative but there were indications that Leon Ames would oppose Moore with Myers to catch him.

BAD WEATHER FOR BASEBALL

By Associated Press.
St. Louis, April 12.—On a ground thoroughly soaked by rain and under skies which promise another downpour, the American League baseball season will open here this afternoon with a game between the locals and Cleveland teams.

The St. Louis team will appear for the first time under the management of Rubein Wallace. In the tentative lineup Wallace is short-stop, the place he has held for a number of years. He picked to pitch the opening game the veteran John Powell. Manager James McGuire said he probably would use Blanding.

The game will be called at 3 o'clock.

By Associated Press.
Detroit, Mich., April 12.—This afternoon, weather permitting, George Arlino, the oldest member of the Detroit club's present pitchers, and Ed Walsh, the "spit ball" twirler of the Chicago team, will, in all probability oppose each other in the opening game of the American League season at Bennett Park.

Game at Washington.
By Associated Press.
Washington, D. C., April 12.—A chill east wind, overcast skies and a precipitation of rain for the afternoon, threw Washington baseball enthusiasts from President Taft down, into something of a state of uncertainty early today.

At the morning work, however, the sun managed to break through the clouds for a time and there were high hopes that the weather bureau might be in error and that the opening of the American League baseball season in this city would take place as scheduled.

Washington will have the Boston team as opponent and the game will begin promptly at 3:30 p. m. President Taft being on the program to toss the ball to the diamond from his private box in the new concrete grandstand.

Game at Cincinnati.
By Associated Press.
Cincinnati, O., April 12.—Early in the day the outlook was not encouraging for Pittsburg and Cincinnati to open the National League baseball season here this afternoon. It had been raining all night and the indications were that the weather would not clear before time for play should be called.

The batteries announced for the first game are: Cantitz and Gibson for Pittsburg and McQuillan and McLean for Cincinnati.

An Irishman was once serving in a regiment in India. Not liking the climate, Pat tried to evolve a trick by which he could get home. Accordingly he went to the doctor and told him his eyesight was bad. The doctor looked at him for a while and then said: "How can you prove to me that your eyesight is bad?"

Pat looked about the room and at last said: "Well, doctor, you see that nail on the wall?"
"Yes," replied the doctor.
"Well, then," replied Pat, "I can't."—Chicago Tribune.
