## HORNETS BESTED MOUNT PLEASANT BASEBALL BOYS

Manager Lave Cross sent a bunch of Hornets against the Mount Pleasant team yesterday afternoon and the victory "was his", the score being 11 to 3. Cummings and Walters were the pitchers for the Charlotte aggregation and each worked in good style, though they used little save a fast ball. Manager Cross had given them instructions to protect their wings against a possible injury and they did not attempt to get any twisters in the sphere.

Ritchie pitched for Mount Pleasant and held the leaguers fairly well. But McMillan, Cross and Hargrave were too much for him, each of this trio landing for a couple of safe ones. McMillan got a single and a triple, Cross a single and a double and Hargrave a single and a triple. Brandon, Weiser, Woodson and Roth each connected with the horsehide for a clean single.

About fifty of the faithful fans looked on the game over. The weather was not conducive to fast ball playing but there were those who wanted to get a line on the men who are to represent this good city this year and they cheered while it was in progress. Not far distant from the park the Defenders and the Concord team were settling their differences at the old ball park.

The lineup from Mount Pleasant was as follows: Flowe, right field; Welsh, second base; Moose, center field; Auten, catcher; Candler, right field; Pat Murray, shortstop; Ritchie, pitcher. For the Hornets the following named participated in the event: McMillan, center field; Brandon, third base; Woodson, first base; Cross, second base; Carter, second base; Roth, right field; Counts, left field; Weiser, shortstop; Hargrave, catcher; Walters and Cummings, pitchers.

The score by innings follows:  
Charlotte . . . . . 000 022 70x-11  
Mount Pleasant . . . . . 000 200 100-3

## Game Called Off For This Afternoon

Manager Lave Cross, of the local ball line, has wired the manager of Catawba College team, that a game cannot be played here this afternoon, weather conditions preventing it.

Players who are here for practice sit around the Gem Hotel and talk about the weather and other things, but they get no practice for the opening of the season.

Where They Will Play.  
By Associated Press.

New York, April 15.—New conditions in local big league baseball brought about by the turning of the Polo ground stands were ushered in today with the movement of the National League club to American League Park, where the Nationals home games will be played for the present.

Today's contest is the first of four between New York Nationals and the Brooklyn team on the hill top grounds. On April 20 the New York Americans will open the American League season here in a game with Washington and the Nationals then will be on the road for a few days.

A Reliable Medicine—NOT A NARCOTIC.  
Mrs. F. Marti, St. Joe, Mich., says: "Our little boy contracted a severe bronchial trouble and as the doctor's medicine did not cure him, I gave him Foley's Honey and Tar Compound which I have great faith in. It cured the cough as well as the choking and gagging spells, and he got well in a short time. Foley's Honey and Tar Compound has many times saved my much trouble and we are never without it in the house." The genuine is in a yellow package. Refuse substitutes. ## S.S.S. KILLS THE GERMS OF SCROFULA

Scrofula belongs to the type of diseases known as blood poison, and is a trouble usually manifested in childhood. The ordinary symptoms of Scrofula are swollen glands about the neck, sores and ulcers on the body, scalp diseases, skin affections, weak eyes, poor physical development, etc. The trouble being deeply rooted in the blood, often attacks the bones if the poison is not removed from the circulation, and this should be seriously considered in the case of any child who shows symptoms of having scrofulous blood. Some persons who inherit Scrofula reach maturity before the trouble develops, but being bred in the circulation, the disease is bound to show itself in some form. Frequently a debilitating spell of sickness offers a favorable opportunity for the disease to manifest itself. S. S. S. is the greatest of all blood purifiers, and by going down into the circulation, and ridding it of the scrofulous germs, and enriching the blood with healthful corpuscles, S. S. S. cures Scrofula permanently. S. S. S. is a purely vegetable remedy, and is perfectly safe for children. If you or your child have any symptoms of Scrofula, begin the use of S. S. S. at once, and get the disease forever removed from the system. Book on the blood, and any medical advice free. S. S. S. is for sale at drug stores. THE SWIFT SPECIFIC CO., ATLANTA, GA.

## \$3.50 Recipe Free For Weak Men

Send Name and Address to day--You can Have it Free And be Strong And Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many weak and nervous men right in their own homes--without any additional help, or medicine--that I think every man who wishes to regain this manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop drugging himself with harmful patent medicines, secure what I believe is the quickest-acting, restorative, upbuilding SPOT-TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 4810 Luak Building, Detroit, Mich., and I will send you a copy of this splendid receipt in a plain ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this--but I send it entirely free.

## AMUSEMENTS

### "Beverly."

The attraction at the Academy of Music next Wednesday, matinee and night, is A. G. Delamater and William Norris, Inc. Original Studebaker theatre, Chicago, production of George Barr McCutcheon's most popular and best selling novel "Beverly" as dramatized from the novel "Beverly of Graustark" by Robert M. Baker. In the play the lines of the book have been very closely followed by the author, and the result is an almost perfect dramatization of a most fascinating story. No expense has been spared by the producers as to cast or scenic equipment which add materially in the delightful presentation of the play.

Seats will go on sale Monday morning at Hawley's.

### James K. Hackett Coming.

The current theatrical season has no event of greater local significance than the appearance here, for the first time, of James Hackett, the famous player of virile roles, in a satire on the romantic play from the pen of George Brant Stetson, called "The King's Game." Mr. Hackett will be seen on next Saturday, matinee and night, at the Academy of Music, with a company and production which bears out completely the assurance of quality that goes with the name of the sponsors of the Hackett tour, William A. Brady, Limited.

In this satire, Mr. Hackett is again a king. The story of the play deals with a monarch who throws a "fake" bomb at an impostor, whom he has engaged to take his place in a parade, when the aristocratic anarchists, headed by Baron von Trumpe, have planned his death. The king, filled with the adventure in the game, outwits the conspirators, and leaving them defeated, returns to his throne, happy in the friendship of the baron's daughter, which he has won. She is no longer an aid to her father, but feels for the king in his regal estate, and does all possible to help him to see things as a human being should.

The only feminine role in this new satire by an American author, is played by Jane Marbury, one of the most beautiful of the younger leading women. She is Mr. Hackett's leading lady. In the company supporting Mr. Hackett in addition are Robert Wayne, Walter Pennington, Herbert Farjeon, Arthur Lawler and others.

Mr. Hackett's name has been identified and associated with such noted successes as "The Prisoner of Zenda," "Rupert of Hentzau," sequel to "The Prisoner of Zenda," "Don Caesar's Return," "The Crisis" and "The Walls of Jericho."

Seats for Mr. Hackett's engagement in "The King's Game" will be ready next Thursday.

## Has Flag Fort Sumter Flew.

Lowell, Mass., April 14.—The flag which flew over Fort Sumter when it was fired on 50 years ago is thought to be in possession of Miss Eliza Cowley, of this city. Miss Cowley says that while in Charleston during the war her brother, Charles, now dead, was retained with the flag, and that it always remained in the Cowley family. Her brother, Miss Cowley says, always maintained that the flag was the one which Major Anderson displayed over the fort at the time of the attack.
