## FOXY GRANDPA *Little Brother*

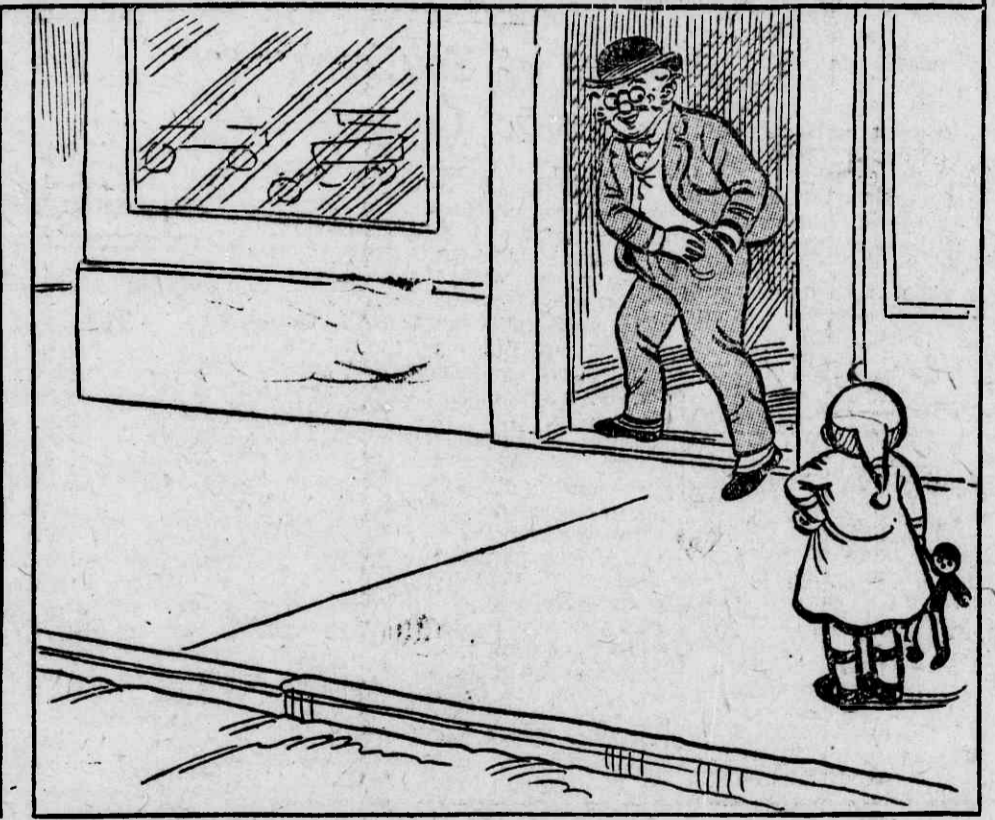

The Boys Outwalked Foxy Grandpa and Little Brother, but They Got Left After All.

1. BOYS—Let's bustle and leave Gran'pa. He'll have to walk slow for Little Brother.

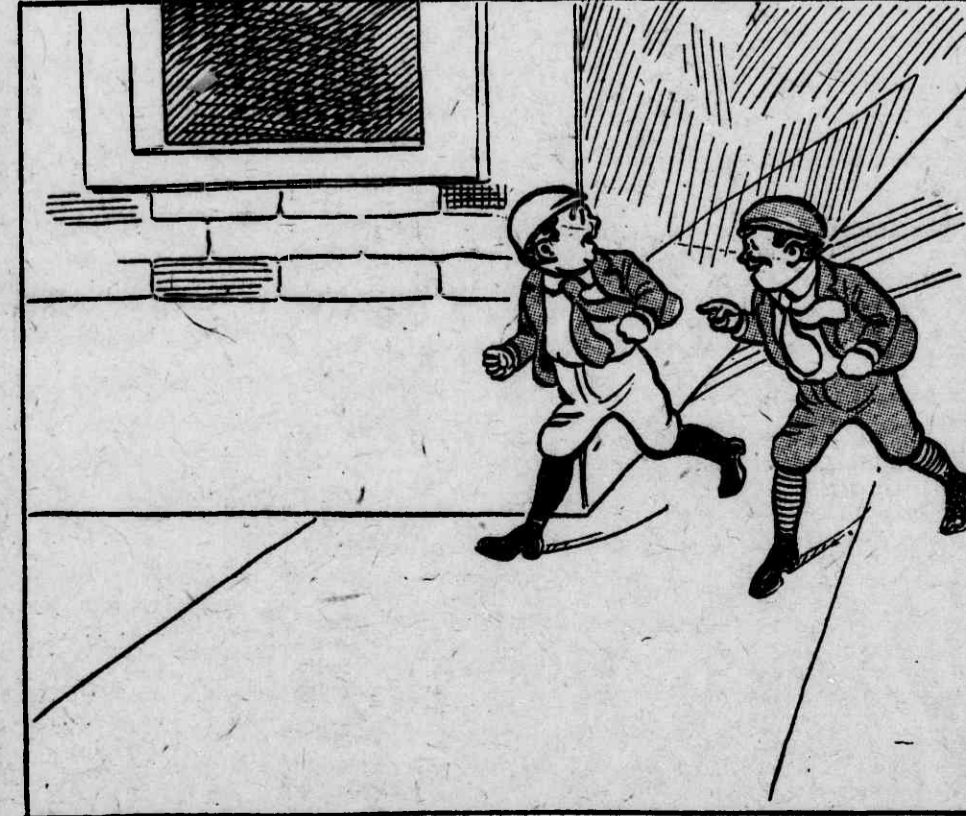

2. GRANDPA—Baby, those young mischiefs are trying to give us "the slip."

3. GRANDPA—In just a moment we will find a way to catch up.

4. GRANDPA—Now you sit there and we will soon manage to overtake the boys.

5. BOYS—Just one block! Gran'pa couldn't catch us now, even if he carries Little Brother!

6. GRANDPA—Hello, boys! Step lively or we shall beat you home!
