## Charlotte Takes Second Straight

For the first time in over two weeks the Hornets won two games out of three and defeated the Red Sox to take the lead in the league. The game was the best seen here lately and was more like baseball than any played here lately. The game was out in the field and was one of those "won in the ninth" affairs. The visitors took the lead in the sixth inning, but the locals tied it up in their part of the ninth, both the visitors and the locals had chances to score in the seventh, but the necessary hit was not forthcoming. The fans had begun to think that there was going to be an extra inning when the pitcher was safe on the pitcher's error, while Weiser went to second. Stevenson sacrificed both runners a base and Malcolmsun scored Weiser on a sacrifice fly to right. We still had another out coming to us and could probably have done more had it been necessary. The attendance continues to pick up, and with two straight victories

there ought to be one of the old-time crowds out today.

## Patriots Win In Eleventh

Special to The News.  
Greenville, S. C., June 7.—In a close and exciting game the visitors nosed out a victory over the Spinners and won a pretty game, 5 to 4. Eleven innings were required to find out which team was to be the victor, the Patriots coming out on top. Out of five trips to the plate, the Spinners got four singles and one home run in the eleventh. Morrisey was walked and was followed by singles by Richard and Doyle, while the Spinners were unable to do anything in their part of the same hearing. The locals took the lead early in the proceedings and the visitors didn't succeed in doing it up until the latter part of the eighth, when three runs were made. Although the locals out of the pitcher, passes by Cashion were responsible for the game going the other way.

## Winstons Hold the First Place

Special to The News.  
Winston-Salem, N. C., June 7.—The locals made it two straight from the down-trodden Electricians yesterday, and by a ninth-inning rally defeated them, 8 to 7. The game was very poor and was loosely played, the pitching of both Swindell and Scanlon being very ordinary. Swindell, although he pitched the game, deserves especial mention for his stickwork, getting three hits out of four times up, one of them being a double. The real reason of the game coming to the locals can be seen by looking at the box score. The Twins gave Swindell errorless support, while the visitors made errors behind Scanlon. Eight stolen bases are given the visitors and this also helped in the total score.

French Aviator Withdraws.  
By Associated Press.  
Genoa, Italy, June 7.—The French aviator Le Prince today abandoned his attempt to cover the course of the Paris-Rome-Turin race. He had not entered as a competitor in the contest but planned to make an independent flight. He arrived at Genoa Monday and was resuming his trip to Rome yesterday when in ascending he met with a mishap that badly damaged his aeroplane.

By W. C. DOWD, JR.  
And we in't done yet.  
"Big Liz" continues to lead the league and to slug. Four singles and a home run were his contributions out of five times up.  
We certainly got a valuable man in Agnew. He's as good as any seen here yet.  
There were good games all around the circuit yesterday.  
Joe Jackson knocked the longest ball ever knocked on the Washington grounds. Joe knocked the ball over the right field fence with two runners on ahead of him.  
We will also give Greenville a dose on the latter's grounds the latter part of the week.  
The three teams that will finish on top yesterday — CHARLOTTE, Greensboro and Winston.  
If Greenville loses and we win today, we will again be in third place.  
Please do us the favor, Greensboro, of giving Greenville another dose today. Of course, we will beat Spartanburg.  
CHARLOTTE, Greensboro and Anderson will win today.  
Cashion is the only man in the league that hit 1,000 yesterday.  
He also got the only home run in the league.  
The game was much better than the one of the day before. There wasn't so much kicking.  
Two in a row.  
The team seems to have taken on new life and they are certainly going after games.  
Kipp, of the visitors, duplicated his stunt of the day before and broke up a line drive of Hargrave's that had gone from here. Guess he's some shortstop.  
Agnew continues to play gilt-edge ball. Yesterday he went back into right field and pulled down one that nobody thought there was any hope for.  
The Hornets again made two fast doubles. They just will do those things two or three times every day.  
Had not Garman been so fancy in the fifth the runner would have been an easy out. We like his playing, but he will pull off those "grandstand" plays every now and then, and they usually prove disastrous to the locals.  
Agnew broke up one addressed to the free country when he threw Laval out at first in the seventh. It would have meant another run, too.  
Five errors accorded to the locals, and still they got away with the game.  
Won in the ninth, also one in the ninth.  
Stevenson, of the locals is accorded with two errors. They both were errors that are hardly ever made.  
Good! Today's will make it three straight.
