PERMANENTLY HEALS **SORES AND ULCERS**

No matter in what way an old sore or ulcer first commenced, whether from a wound, cut, or bruise, or from the ulceration of a wart, pimple or mole, or even if it came without apparent reason, the fact that it does not heal shows that bad blood is responsible for the place. While the circulation remains impure the nerves and tissues of the flesh around the place are constantly being fed with unhealthy matter and the fibres are thus prevented from knitting together and healing. Purify the blood and the place MUST heal, its cause having been removed. S. S. S. cures old sores and chronic ulcers because it is the greatest of all blood purifiers. It removes from the circulation every impurity, and so enriches the blood that it nourishes the tender, sensitive flesh, and causes a knitting together of all fibrous tissue and thus heals the place.

Chicago to Get Boston Cracks

Manager Hugh Duffy, of the Chicago White Sox, left Sunday for Boston to complete one of the biggest basebal! trades in American League circles in

Before the week is out dispatches from Boston will read "Chicago gets Shortstop Wagner and Pitcher Cicotte for Rollo Zeider and Pitcher Lange." This deal is going through, according

to inside information received by the writer last night. Heinie Wagner and Cicotte are both in bad with Manager John I. Taylor, of the Red Sox, and Zeider does not seem to be much of a favorite in Chicago: in fact, he has asked to be traded to some other American League club, be-

lieving that he could do better work in some other uniform. It is easy to see that Chicago will get all the best of the trade, just the same as it did when Lord and McConnell

were swapped last year for Frank Smith and Billy Purtell. But when once John I. Taylor sours on a man, it is all off with that individual, and Chicago is again going to be benefited as the result of the foregoing mentioned trade.

CUBS BETTER OFF.

Just as the Giants were being conceded a big edge in the National League struggle, the lowly tail enders came to Chicago's aid and now the Cubs are back strongly played in the betting again.

There were about two real ball players on the Boston team, and fearful that these might impair the team's chances for finishing last, Mogul Tenney immediately launched them in a trade. A trade which is still ranked as one of the greatest jokes of a highly humorous age.

The addition of Peaches Graham back of the bat bolsters up the Cubs immensely here, as Kling had shown that he was not the wizard of old, while Graham is one of the best catchers of either league. Chance needed another outfielder to bolster up this department with Solly Hofman dragged in to play first, and in Wilbur Goode he was able to round out his machine again.

All of which makes the Cubs potent factors once more and forecasts another great duel betwen Cubs and Giants for the flag.

NAPS WANT KIRKE.
