Lete Mill News S.S. REMOVES ALL HUMORS FROM THE BLOOD

The cause of all skin diseases can be traced to some humor in the blood, and therefore the cure of any skin trouble can come only through a thorough cleansing of this vital fluid. Salves, washes, lotions, etc., relieve some of the itching and discomfort, help to reduce inflammation or said in land and discomfort, help to reduce inflammation, or aid in keeping the cuticle clean, but such treatment does not reach the blood, and of course can have no real curative effect. S. S. S. cures Skin Diseases of every kind because it purifies the blood. It is an internal remedy for an internal trouble, and works on the only reasonable and certain method of cure. S.S.S. removes all acids and humors from the circulation and leaves the blood stream rich, healthy and nourishing in order that it may supply the cuticle with the necessary properties to restore it to its smooth, normal condition. Book on Skin Diseases and medical advice free. S. S. S. is sold at drug stores.

Various cir-the corporation commission very cumstances, it is stated, led to its soon now. Those in touch with the failure recently, and it was disposed progress of the general re-assessment Cleveland & Williams, of this city, state over under the new 1911 revenue being the successful bidders.

A member of the firm stated yesterday that it was their expectation to enlarge the mill, reorganize it, and put it in operation in the near future. While details of this enlargement have not yet been given out, it is stated that the plant will be changed so as to manufacture fine cloth, instead of yarn,, as heretofore. The mill is considered a good investment, owing to its good location, and other circumstances.

Charleston, S. C .- As the result of an important meeting of the stockholders of the Royal Bag and Yarn Manufacturing Company, held June 27, a letter has been sent to each of the stock holders in which the rirectors submit to them a plan which is deemed the nost feasible one to secure sufficient funds upon which to continue the aperation of the mill.

The plan of the directors is to apply or an increase in capitalization of \$150,000. This will be termed authorized guaranteed stock and will be added to the \$150,000 of preferred stock and the \$325,000 of common. A plan tional stock very reasonably. Another meeting of the stockholders will be business in this state. held on June 27 and it will be then the increase.

eopened, Mr. E. C. Hesse, president of the company, said:

"We cannot say just now when the mill will be reopened. It will certainly not be shortly and it will hardly be before the new cotton crop is markettioned, this is a 50,000 spindle mill and ed.
