PATRIOTS GRAB ANDERSON GAME

Special to The News.
Anderson, S. C., Aug. 1.—Thomas Fogarty, the sweet singer from Winston, was there with plenty of that noise stuff, but at critical times he misfired twice and allowed the Patriots to get away with a victory that by all laws of baseball belonged to the locals. Two of Fogarty's errors counted for as many runs and the game. Anderson took a good lead early in the game and deserved the victory in easy style as they outbit the visitors.

By an error, a single, and a couple of sacrifices, the Patriots counted twice in the third, but the locals came back strong in their half of the same frame and counted as many on a pair of clean swats and a double. In the fourth the locals added two more on three singles, and the game seemed to be "perfectly at home," but Thomas got in his deadly work in the fifth when his two errors along with a single and a pass allowed the visitors to register three and the game.

There were no special features attached to the unraveling.

The Twins Win Very Close Game

Special to The News.
Winston-Salem, N. C., Aug. 1.—The game here yesterday afternoon between the Red Sox and Twins was only interesting through the closeness of the score, as there was no special features attached to the affair.

The only earned run of the proceedings was credited to the Twins in the third, when Twindell doubled and Clancy fetched the Mighty around on a clear swat for one sack.

In the eighth the visitors tied up matters when Laval and Wagon singled with one tucked away. The pair pulled the double theft and Gates overthrew second in an attempt to head off Wagon and the manager romped home.

The Twins got busy in their portion of the eighth and scored the winning run. Clancy led off with his second hit and Shumaker was given a free ticket. At this stage Manager Laval held a consultation with Smith and Gates was also allowed a free pass to first. Then, with a lefthander up, the wily Laval essayed to do extra duty by delivering his portwheelers to the batter. Clancy met the trick by substituting McCarthy, a right-hander, for Stewart. Laval protested the movement but the ump's forced him to proceed and the second ball thrown went through Kunkle, the new back stop, and Clancy fetched over the winning tally.

The score:

Winston:	AB	R	H	PO	A	E
Clemens, lf.	3	0	0	1	0	0
O'Halloran, 2b.	4	0	1	2	2	1
Clancy, ss.	4	1	2	3	1	0

When a man has seeped up as much knowledge of the game as our present manager, some of it is bound to percolate through the domes of the rest of the players.

Some of the trip-hammer brigade are already prophesying that a few of the fellows on the team will not do their best work under Agnew. Well, a certain percentage of knooks is to be expected, but the team who won't exert himself to the utmost to win games under Agnew as well as under Gross.

Today's games will tell, and we'll bet there will not be a man on the team but will put up the very best he knows. The players are all human and up to the present time have shown that they are good sports, and this talk about their laying down is all tommyrot.

Some heartless wretch has suggested that Anderson fans learn that popular little ditty, "I Wonder Who's Beating Them Now." And they have never done anything to deserve this.

Those odd points between the Electricians and the Heavenly Hornets look good.

The only elevator in the percentage building we want is the one going up.

Joyner, Coffin, Triturate and ourselves are at least sitting where we won't get our feet wet.

"Trit" couldn't have gotten his feet wet last week though if we had been in the cellar.

We don't mind having to write two games in one day when the Heavenly Hornets win them on the home grounds.

CHIP DIAMONDS.

There are only 18 more games to be played on the home diamond. Better come out and help grace the grandstand with your presence.

The double bill at the park this afternoon should draw a large crowd, as the team is under the direction of a new man, Leetul Agnew, and the boys are scheduled to go from here!

Sheesley will work in the first and also in the second if he feels inclined to do so.

You can bet he will get away with both if things are breaking evenly and the jinx can be persuaded to stay 'zu hauser.'

Agnew, here's our heartfelt congratulations, and may you inoculate a little of your ginger into the veins of the waning Hornets.

'Tis a good time for the Hornets to do a little retaliating. Lost five out of six on the road. Now let's see if we can't reverse the order at home.

Wish to guteness Anderson would make a waiver on the jinx.

That game lost at Anderson gave us a grand total of a game's lead.

Should put a few more between us this week.

The Hornets were always strong for that emergency stuff, anyway.

Like we expected, the bottom of the Tidewater League is dropping.

The game was rained out at the park yesterday afternoon. A double bill this after.

Lives there a man with soul so dead who to himself hath said: "Wish the sun had shown instead!" —Shakespeare.

For the above we offer no apologies, for we think it is a great deal better than the original.

Just a game between Twindell and the Patriots, and just a game between the Hornets and Electricians. No, Mabel, don't mistake us, there are some several between Twindell and the Hornets.

In the last issue of the Daily Mail, our esteemed contemporary in Anderson did not put any more of the Electricians in the "best-in-the-world" class. What's the matter, little fellow? Were you disillusioned by yesterday's game?

Some of the trip-hammer brigade are already prophesying that a few of the fellows on the team will not do their best work under Agnew. Well, a certain percentage of knooks is to be expected, but the team who won't exert himself to the utmost to win games under Agnew as well as under Gross.

Special to The News.
Asheville, N. C., Aug. 1.—All the property and franchises of the Toxaway company at Lake Toxaway, including about 27,000 acres of land, the Toxaway, Fairfield and Sapphire hotels were sold today at about 12 o'clock under a decree of the circuit court of the United States for the western district of North Carolina, to satisfy a deed of trust or first mortgage for bonds to the amount of \$272,000 held by E. M. Jennings of Pittsburgh. The property was sold at the door of the federal court house and was bid in for \$10,000 by a representative of Mr. Jennings.

The decree of sale was made by Judge James E. Boyd of the western district of North Carolina, on May 4, 1911, and it was made on the motion of J. G. Merrimon, attorney for the Colonial Trust company, the trustee in the action, and by whom the sale was made.

A mortgage was executed in 1902 by the Toxaway company to the Pennsylvania Trust company as trustee covering all the property of the company and this was turned over to the American Trust company and then to the Colonial Trust company. The mortgage was to secure mortgage bonds. In 1903 a second mortgage was executed to cover coupon bonds to the amount of \$272,000, the owner and holder being E. H. Jennings.

The defendants made default in the payment of the interest as it came due and has also defaulted in making payments to the sinking fund, thereupon the holder of the bonds demanded of the trustee that the property be sold to satisfy them.

The report of the sale will be made soon and also the motion asking for a confirmation of the sale.

S.S.S. DRIVES OUT MALARIAL POISONING

Malaria is a disease which gradually destroys the strong, nourishing elements of the blood. When the malarial poison begins to absorb the rich, red corpuscles of the circulation, we see pale, sallow complexions and a general impairment of health. As the blood becomes weaker the appetite fails, digestion is disturbed, chills and slight fever are frequent, and in aggravated cases boils and eruptions break out on the flesh. Malaria is blood poverty, and the only way to cure the trouble is to enrich and purify the circulation. S.S.S. is especially adapted to and while ridding the system of the malarial germs, S.S.S. builds up the entire constitution by its fine tonic effects. If you are suffering with Malaria begin the use of S.S.S. and rid yourself of this weakening disease. Book on the blood and any medical advice free. S.S.S. is
