

### Two Thousand Attend Prayer Meeting

In Korea, (Not Charlotte) Says Rev. J. S. Ryang a Native Korean Missionary who Spoke at Trinity Methodist Church Sunday.

Rev. J. S. Ryang, a native Korean missionary, was heard Sunday morning at Trinity Methodist church. Mr. Ryang is studying at Vanderbilt University. He came to speak to the Methodists of Charlotte by invitation. Those who heard him were amazed at his mastery of the English language, and marveled also at the work Korea is doing in the cause of Christianity. The facts Mr. Ryang gave were astounding. The first missionary, a physician, went to Korea in 1854. In 1887 the first communion was given in a small room with seven persons present. Today there are 300,000 Christians in Korea, and 5,000 who are ready to embrace Christianity. "Korea," said the speaker, "is not known to fame, as China, by her vast empire, and Japan by its glorious victory, but by the ready acceptance of the religion of Christ. The first convert in Korea was a woman. She came to the Johns Hopkins to study, becoming a physician.

The society in Korea is exclusive. There are four clans, or castes, among the 15,000,000 people who constitute the population. Women are servants, and their husbands are their lords. In church the boys and girls are not allowed to sit together after they are seven years old. A paper wall is built between the male and female portion of the audience. The minister can see both audiences, but neither audience can see the other. Korean men never treat their wives as equals; the two never go out side by side. One of the converts to Christianity was the missionary's wife. He went home and hugged and kissed his wife. She thought he had gone crazy. The attendance at the churches of this country to blush. Mr. Ryang said that often there were as many as 2,000 people at prayer meetings. Think of that!

On Sundays hundreds of people can not get into the buildings. The people who are not street cars except in one city. All Korean Christians can lead in prayer, says Mr. Ryang. Every Christian in Korea, he says, is a preacher. I. e. he makes himself such. The salutation is "Peace," and the Korean Christian always carries his Bible and his hymn book. In church, every one sings as loud as he can, "there being as many different tunes," said Mr. Ryang, "as there are books." In closing Mr. Ryang spoke of the self-sacrificing nature of the Korean Christians. "He will give his time, money and himself to serve his fellow man." He told of an incident of a man who had gotten in debt and who had nothing to pay with. He was to be punished if he did not pay. His neighbor, who was a Christian, had only one cow. He sold his cow and gave the money to his friend who was in debt, and the next day was seen plowing his son as he had no cow to plow with. Mr. Ryang thinks Korea will be entirely Christianized. He spoke most interestingly Sunday. He has a very bright mind, a keen sense of humor, and a wonderful command of the English language.

### Good Stomach?

Keep a Box of M-I-O-N-A in YOUR House and you'll always have one. Some people eat too much, some drink too much, and hundreds of thousands of men smoke too much—especially in the evening. Use discretion if you can, but if you can't, use wisdom. Take two M-I-O-N-A stomach tablets before you go to bed and you'll awake minus a headache in the morning. M-I-O-N-A stomach tablets are guaranteed to end indigestion acute or chronic; to promptly banish gas, heartburn, sour risings, etc. They are the best remedy for dizziness, biliousness, nervousness, headache, constipation, vomiting of pregnancy, car or sea sickness, foul breath, night sweats, bad dreams, coated tongue, languid feeling. And a box only costs 50 cents at R. H. Jordan & Co.'s, and druggists everywhere.

### Here is a Real Dyspepsia Cure

Pape's Diapepsin Settles Upset Stomachs And Ends Indigestion in Five Minutes.

The question as to how long you are going to continue a sufferer from indigestion, Dyspepsia or out-of-order Stomach is merely a matter of how soon you begin taking some Diapepsin.

If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-inforcement of digestive agents, such as are naturally at work in the stomach.

People with weak stomachs should take a little Diapepsin occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, Gas on Stomach or Belching of undigested food, Headaches, Dizziness or Sick Stomach, and, besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved in five minutes after taking a little Diapepsin.

Go to your druggist and get a 50-cent case of Pape's Diapepsin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are no going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.

### Drainage Work Will Begin Soon

Dredge and the Boat to Construct in Eastern Section of City-Drainage Work Will Begin Where Outfit Built.

The work of constructing and putting together the dredging outfit that was purchased by the County Drainage Commission recently for draining certain sections of the county is proceeding rapidly. The boat is being built at the intersection of Little Sugar Creek and East Fourth street in the eastern part of the city.

The process requires that a small lake, or miniature dock, be constructed in which to put the boat when it is completed. This dock is being dug out and fixed for the reception of the dredge boat just below the East Fourth street bridge. It is 22 feet long 10 feet deep and about 14 feet wide. When the boat is completed the steam dredge will be placed within it. The dredge will dig out its own canal ahead of the boat and it will float down stream at it works. The big shovel works on a crane something like the big steam shovel used in excavating the Panama canal site. It will lift a yard and a half of dirt per minute and four men are all that is required to operate the whole outfit.

The drainage work will begin on the creek where the machinery is being placed. It will be prosecuted until all those sections of the county are drained which stand most in need of it. It is probable that when Little Sugar creek is drained work will next begin on Big Sugar creek.

### Details not Necessary.

When Samuel G. Blythe, the writer was editing a newspaper in New York state a green reporter one night turned in a long and thrilling story regarding the rough treatment handed out to John Smith, a visitor to the town. The story related that Mr. Smith, wearing a high silk hat, had ventured down to the docks after nightfall, and a silk hat being unusual and provocative of antagonisms in that section, Mr. Smith had emerged from among the dock hands without the hat. Nevertheless, he carried out of the melee so many wounds, cuts and bruises that he had to be sent to the hospital.

The article, in its original form, was too long and not in keeping with the style of the paper. Accordingly Blythe started to rewrite it. This is the form in which it appeared in the paper the next morning: "John Smith, wearing a high silk hat, went down to the docks last night in emergency hospital."—Popular Magazine.

### Working for Live Stock Industry

The Southern Railway is endeavoring to build up the live stock industry throughout the South, having established a special department for this work, and is now inaugurating a movement for the organization of local live stock associations in every county along its lines in Georgia, Alabama, Mississippi, South Carolina, North Carolina, Virginia, Tennessee, and Kentucky.

The organization of such local associations will prove of immense value to live stock growers. They will stimulate progress as they give an opportunity for exchange of ideas and the distribution of good breeds and the association exhibits and auction sales pave the way for excellent county fairs and live stock shows.

The live stock department of the Southern Railway is in charge of Mr. P. L. Word, Live Stock Agent, who has offices in Atlanta. For the next few months he will devote special attention to the formation of county live stock associations and will be glad to cooperate with live stock men in any county along the Southern Railway. A letter addressed to Mr. Word will bring a prompt reply and will secure his active interest. He will be glad to hear from those who may wish information as to the advantages of local associations or the best methods to adopt in organizing them.
