propriation to build the highway. After the meeting yesterday a rep While not a large meeting in re-spect to the number who attended, the Mr. Sirrine that he had received in spect to the number who attended, the Mr. Sirine that he had received in gathering was successful from every standpoint, and it is the hope of the officers of the Highway Association from people living along the proposed that this meeting will help to stimu- route. To show the interest the peo that this meeting will help to stimu-late the interest of the Greenville people. The meeting was attended by four representative citizens of Hen-dersonville who voiced the senti-ment of the Hendersonville people; when they said, "we are for the road." These gentlemen were Messrs, G w Justice supervisor of roads, of G. W. Justice, supervisor of roads, of Henderson county, F. S. Whetmore, U. G. Stanton and J. L. Orr. These gen-tlemen said the city of Hendersonville the intention of the Highway Assodepended in a large, part on the ciation to construct the road in a trade which she secured from the very short time. They realize that lower part of Henderson county and some time will be consumed in getfor that reason it was important to them that there should be a good road leading from Hendersonville to that section of the county. Realizing the need of the road, they have se-the need discuss with the county delegation, mediately with the monosed cured a promise from Supervisor Jus-tice that he will begin work on their end of the road on October the first. the road.

At that time Mr. Justice will take the county chaingang and moving it to the Davis place, just across the North who came to Greenville to attend the Carolina line, will begin to work the meeting. He said their coming down proposed road from that point to was a public-spirited act and show-Hendersonville. All of the gentlemen from Hendersonville said that Hen-dersonville needed the road as bad

as Greenville and they promised their support to the construction of the highway. Among the Greenville gentlemen

who spoke on the road question and as to the best ways of securing its construction were Messrs. W. J. Thackston, W. A. Gilreath, C. O. Al-len, J. H. Heyward, J. P. Goodwin. The young lady was painting-sun-set, red, with blue streaks and green supervisor of Greenville, and W. D. dots
