the accredited agent for these people in Canada, for the statement as to suspending operations for several how the eyes of the Hindus were first weeks, what is supposed to be a band and the first beginnings of modern em- dations again. These men are eviigration from India were inspired. He dently of the professional type and religions which was held in Chicago sion when it declined to suspend re-ductions in the rail and lake rate on flour from Minnesota tunsfer preciation of the advantages of Occipoints to New York and also refused to parmit the institutions. The educational work carried on by American missionaries in the high schools of India also prepared the way for a sowing of good seed in a ready soil, the fruitage of which turned the eyes of educatied Hindus toward this new world. Economic conditions in India furthered a

CAPITOL TO LAST 500 YEARS

Stone Structure Seldom Endure Over

700, Builder Says.
"One thing I learned during a recent visit to Europe was that the average life of a stone building is not more than 700 years," said John H. Bryan, a builder of Chicago, at the Raleigh.
"Naturally I was interested in construction work, and gave more attention to this part of Europe than I did to the examination of art galleries and

cess in life, are often only a matter of a little thoughtful care in the selection of effective that they would not last a great many years longer. I do not think there is any longer. I do not think there is any doubt that the Capitol building here will be standing 500 years from now if it is not destroyed, but it will not last longer, nor will the treasury building, which is the finest example of its style of architecture in the United

Sopth Bend, Ind., Sept. 21.—That the men and religion forward movement is neither controlled nor financed by a small group of very wealthy men of Wall Street is the statement made by Henry Rood, national publicity secretary of the forward movement who is been today from New York. who is here today from New York.
"The story that a comparatively few important financers are behind this religion effort is simply nonsense," 21 East Fourth St.

Myers Park

"The Suburb Distinctive."

SUBURBAN COMFORTS WITH CITY IMPROVEMENTS AND ADVANTAGES

In the development of "Myers Park" the Stephens Company is giving to the public a Suburb which is unique in many respects.

In conjunction with the modern highclass improvements already begun there are large lots with the freedom of range for play grounds, gardens, tennis courts, plenty of room for the auto, the horse and childrens pony.
