## REFORMATION SUNDAY AT ST. MARK'S CHURCH

The Reformation of the Church in the sixteenth century added a festival to the church's calendar. Luther nailed the "Ninety-five Theses" to the door of the Castle church at Wittenburg on Oct. 31st, 1517.

Since that day the Protestant church has regarded Oct. 31st as the anniversary of its birth, and has made Oct. 31st a church festival for its commemoration.

The Lutheran church especially has been faithful in observing this festival, because upon the followers of Luther rested the chief burden of the hundred years' struggle with Romanism.

Tomorrow, Oct. 29th, being the Sunday nearest the date, St. Mark's Lutheran church of this city will hold its Reformation service. At the morning hour, the pastor, Rev. Dr. R. L. Patterson, will preach on the theme: "Lest We Forget." The choir will sing the 46th Psalm, Luther's favorite Psalm, and the congregation will sing the Battle Hymn, "Ein Feste Burg Ist Unser Gott." The public is cordially invited.

## 'ECZEMA ITCHED SO I COULDN'T STAND IT'

Began by Little Pimples. Scratched Until Blood Came. Kept Getting Worse. Could Not Sleep Nights. Used Cuticura Soap and Ointment and the First Day They Relieved Itching. In 3 Weeks Eczema Cured.

"I suffered with eczema on my neck for about six months, beginning by little pimples breaking out. I kept scratching till the blood came. It kept getting worse. I couldn't sleep nights any more. It kept itching for about a month, then I went to a doctor and got some liquid to take. It seemed as if I was going to get better. The itching stopped for about three days, but when it started again, it was even worse than before. The eczema itched so badly I couldn't stand it any more. I went to a doctor and he gave me some medicine, but didn't do any good. I have been having Cuticura Remedies in the house, so I decided to try them. I had been using Cuticura Soap, so I got me a box of Cuticura Ointment and washed the affected part with Cuticura Soap three times a day, and then put the Cuticura Ointment on. The first day I put it on, it relieved me of itching so I could sleep all that night. It took about a week, then I could see the scales come off. The treatment up for three weeks, and my eczema was cured.

"My brother got his face burned with gunpowder, and he used Cuticura Soap and Ointment. The people all thought he would have scars, but you can't see that he ever had his face burned. It was simply awful to look at before the Cuticura Remedies (Soap and Ointment) were used. (Signed) Miss Elizabeth Gehrl, Forrest City, Ark., Oct. 16, 1910.

Although Cuticura Soap and Ointment are sold by druggists and everywhere, a liberal sample of each, with 32-page booklet on the skin and hair, will be sent free on application to Folter Drug & Chem. Corp., Dept. 17B, Boston.

## Miss Hawkins Makes Report

The report of Miss Dora Hawkins, the nurse of the Associated Charities for the past month, contains a number of interesting items. There have been 34 patients under observation and treatment. Nine of these have shown marked improvement. They are gaining very rapidly in weight with general conditions improved. One man that failed to receive any benefit from a summer in the mountains, but returned in a very weak condition, has gained 8 pounds since the middle of September and is apparently on the way to complete recovery. This man has been very careful to carry out all instructions given him not only in caring for himself but also in protecting others from contagion.

This case and others in which such marked improvement is seen shows that these diseases that so many pronounce incurable can be cured if it is only handled in the right manner. Two cases that were in the last stages before being visited, died during the month. Four of five others are in an advanced stage. In addition to the nine mentioned above there are about fifteen others whose lives can be saved if they will obey instructions.

## ENGINE WHISTLE HALTS THEFT

**Wakes Woman, Who Starts Husband After Burglars.**

## PREACHER IN PRISONER'S DOCK

**Special To The News.**  
Atlanta, Oct. 28.—The queer scene of a preacher in the prisoner's dock at the criminal court exhorting a jury, was enacted before Judge L. S. Roan yesterday afternoon, when the Rev. Charles B. Snipes was put on trial for shooting at his wife and shooting his father-in-law.

Mr. Snipes went on the stand in his own defense, and with the most impassioned eloquence entered into a recital of the facts that had led up to the shooting. From that he got on to general religious subjects, and scriptural phrases rang throughout the hall where ordinarily only law quotations are heard.

In many cases the appeal was a pitiful one. Mr. Snipes is an old man. His wife is very young.

"Do you see these gray hairs?" he exclaimed, pointing to his venerable beard.

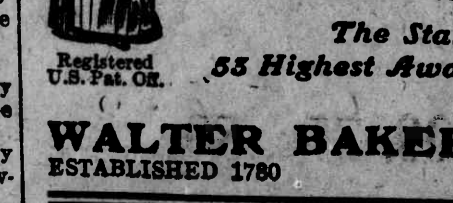

"That's why she left me—but God knows they are honorable!" Mr. Snipes, it developed, was an epileptic, and consequently violent at times.

## Utopia Found by Squire Hilton

Squire S. H. Hilton has returned from his trip to Spruce Pine. He states that the land there is the "finest ever" and that you can raise from fifty to sixty bushels of wheat to the acre and as much as seventy-five bushels of corn. The water is the finest in the world, the squire says. He was pleased to note that it does not run through a meter.

The land is covered with the best timber and when that is cut, the land is fine for farming. The squire says that if he was a little younger he would buy a farm near Spruce Pine and live there.

He tells that the hunting is fine, even deer being plentiful.
