### EDWARD HINES

By Associated Press. Milwaukee, Wis., Nov. 1.—Edward Hines, the lumberman, today again denied before the senatorial investigation committee that he had anything to do wrongfully with the election of Senator Isaac Stephenson.

"A story has been told before this committee that you attempted to obstruct the election of Mr. Stephenson him; that you went to Washington and suggested he put up half of \$110, one, it happened, contained only the 000 to put the election over. Is that less valuable packages. When the and suggested he put up half of \$110,true?" Mr. Hines was asked. Hines. It was admitted by all the witnesses at

The train was boarded when it slowons, the men forced the engineer to back the train several miles, stop to permit the express and mail cars to be cut from the coaches and then to draw BEFORE COMMITTEE. the forward section of the train a short distance where the robbery took place. In the mean time other members of the train crew as well as express messengers and mail clerks were brought to submission.

When the detached care brought to a standstill each of the men set about a task. One began gathering registered mail and another to set the charge of explosives while others stood guard over the train crew and the passenger coaches. The robber having with a view of obtaining money from charge of the express car selected the larger of two safes for his attack. This charge was fired the ends and sides "Its absolutely untrue," replied Mr. of the car were splintered and the entire front of the safe blown away. Just oment the switch engine came
