MRS. HAYES' BEAUTIFUL ROSE.

Mr. T. F. Hayes brought into the office this morning one of the most exquisite roses ever raised in Charlotte. It is a Paul Neron, perfect in form, delicate in color and on a perfectly straight stem seven feet and six inches long. The bunch that bore this flower was raised from a clipping by Mrs. C. C. Hayes and this is the first and only flower that it has ever produced.

MISS QUINCE GUEST OF MISS NANCY BROWN.

Miss Nancy Brown has as her guest Miss Sue Quince, of Wilmington. Miss Quince arrived here last night and will spend some time in the city. She has visited Miss Brown several times previously and has made a host of friends in the city who will be glad to welcome her here again and do all they can to make her visit as pleasant as possible.

TO WINTER IN CHARLOTTE

Miss Theresa McCubbins, a student at the Presbyterian College, will spend Sunday and Monday in Salisbury with her parents.

Mr. and Mrs. P. W. Few, of Durham, spent yesterday in the city. Mr. Few is president of Trinity College.

RETURN FROM BALTIMORE.

Dr. and Mrs. W. O. Nisbet have returned from Baltimore where they have been about two weeks.

Thermometer Was 29 this Morning

The coldest period of the last 24 hours in Charlotte and vicinity was this morning between 6 and 7 o'clock when the delicate instrument at the local weather bureau recorded the fact that at that hour the temperature was 29 degrees. This temperature was never recorded here, during the 33 years that the bureau has been established, so early in the season except once. At that time, however, the temperature was 28 degrees and it was also earlier than this date, being on the 29th of October.

Mrs. Godfrey Well Again

Vineland, N. J.—Mrs. Allen T. Godfrey, who has been in bad health for some time, has just written the following letter telling of her recovery: "Everyone who is in broken health ought to know that Vinol will build them up and make them strong. It restored my strength and vigor after I had been in a badly run-down condition for several months, and I never fail to give Vinol a good word now."

This is one more proof that our delicious cod liver and iron remedy, Vinol, which is free from cod liver oil, is a remarkably strengthening and vitalizing medicine.

Men and women who are weak and in poor health, unable to sleep or eat well, and who have given up hope of ever being strong again should certainly take Vinol, without waiting another day, for it is exactly what they need.

There is no risk at all, for it is so sure to do good that we guarantee it absolutely and will refund the money if you are not satisfied. R. H. Jordan & Co.

Cramp Nearly Causes Death

Lady in Board Camp, Attacked by Cramp, Says She Felt As if She Were Dead.

Board Camp, Ark.—"When I was just fifteen years old," says Mrs. Virgie Bain, of this place, "I suffered awfully with a cramp in my stomach, about once a month, and I had a dead feeling, all the time—no life to do anything."

I took two bottles of Cardui, and I felt like a different person. I had tried all kinds of medicine for over a year, but not a thing helped me, until I took Cardui.

A short time ago, I suffered again. I would ache and hurt till I couldn't stand on my feet a minute to do my work. My back ached and my head hurt all the time.

I was glad I knew about Cardui! I took three bottles, and now I never have any ache or pain, and I am cheerful and happy."

If you have wondered where you could find remedy to ease your pain and relieve the torment which goes with so many forms of womanly trouble—here is your answer!

Take Cardui, the woman's tonic, and be relieved, as Mrs. Bain was.

Cardui is just the medicine every woman needs, to help her over her womanly troubles.

Try Cardui.

The weather bureau sent out this morning a report of killing frost for this vicinity. Although the coat of white was not copious, on account of the wind that prevailed till after midnight, there was enough to do damage to any thing green and tender that happened to be out in the open.

Weather Observer Atto states that he saw turnip tops, okra and several other plants this morning frozen stiff as pasteboard.

The wind in the forepart of the night howled through the autumn leafage at the rate of between 12 and 14 miles an hour. After midnight it slowed down to 6 or 8 miles an hour, leaving the possibility of the formation of frost. Asheville had a temperature this morning of 22 degrees, Wilmington 34, Raleigh 30, Memphis 32 and Louisville 26. No zero weather is reported on the map. The cold snap prevails over the middle Atlantic and New England states. The cold area is moving eastward from the direction of the Ohio valley.

The weather here tonight will be not far different tonight from that of last night, says Forecaster, A. A. Atto.

To Welcome New Comers

The meeting of the Newcomers which is to be held on next Tuesday night, is exciting interest and preparations are being made for a full house. The meeting is to have some different features from any that has as yet been a part of a Greater Charlotte Club meeting. In fact the entire idea is new and by being well attended is sure to prove profitable.

The set program will be short, and will consist of a speech delivered by Judge Armistead Burwell, introducing Major J. C. Hemphill, and a speech by Mr. T. C. Guthrie, introducing Mr. A. E. Gonzales. Of course each of the gentlemen thus introduced will be expected to say something. Aside from this, the meeting will be very informal and will be a get together meeting sure enough.

A list is being prepared and an effort is to be made to get the name of a new man who will help along the work by sending it to the office of the Greater Charlotte Club.

The meeting will take place in the Selwyn hotel at 8:30 and any one who desires to attend whether a member of the club or not will be very welcome.

"Chinaman."

(From the London Chronicle.) On the subject of surprising modern words it is notable that the Oxford Dictionary finds no earlier instance of "Chinaman." In the sense of a native of China, that 1854, when Emerson so used it. The previous word was "Chinee," from which the plural "Chinenses" was formed by Milton and his contemporaries, and the false singular "Chinese" by modern Americans. But "Chinaman" in another sense, that of a dealer in china, was in use long before 1854. The Oxford Dictionary gives three instances of it, from London directories of 1772, 1801, 1819, but does not notice that in 1763 one John Crowther, "Chinaman," was gazetted bankrupt. "Chinawoman" in a similar sense goes back to Ben Jonson.

THE BOARD OF ALDERMEN

doubtless make mistakes, but they're honest and have good intentions, and when you remember they get nothing for their services, too much should not be expected at their hands. Let's be just and not forget our municipal system is passe, and begin to realize that up-to-date government is not to be expected from an antiquated method. Some COMMISSION FORM has long been imperative, and until we get it, confusion is inevitable.
