#### Will Discuss Pine Beetle on The 24th

Important Meeting Will be Mis. Mamie Hayes Held Here on November 24th to Discuss Means of Exter minating Pest That is Killing Pine Trees.

A movement of great importance to this entire section of country, which has been inaugurated by the United States government, to get rid of the younger society set and has a host of friends here and all over the state. Miss Howell is the daughter of Mr. and Mrs. Geo. A. Howell and has lived in

The groom is a prominent young business man of the city, having come here about a year ago to take a position with the Westerstein and the city of Charlotte on November 21th, to get concerted action in this vital work of saving the pine trees now being destroyed with such rapidity by this

At this meeting such men as Dr. A. Hopkins, who is in charge of the United tSates bureau of Entomology;

1\_at the situation has become alarming and there is need of immediate action. If something is not done at once there is danger of the old field pine forests of North and South Carolina being entirely destroyed in a few years and our main supply of pine for the future

Every man who owns an acre of land on which old field pine is growing should attend the meeting in Charlotte and learn how to get rid of the destructive pine beetle.
