

# Polite Service

Is just as important in our stores as are high-class merchandise at popular prices—and we have both. We have secured the best possible employes that money can obtain. We pay good polite salesladies large salaries but we get the best there is. There is nothing nicer than having a nice, polite saleslady wait on you.

Our fitters are of the most responsible that can be. They are fitters of long experience and know how to turn out a perfect fitting garment.

Besides giving you Free Alterations, we guarantee you satisfaction or your money cheerfully refunded.
