Stenographer Wanted.

(Kansas City Journal.) Recently a paper published this item: "The business man of this town who is in the habit of hugging his stenographer had better quit or we will publish his name." The next day 37 business men called at the office, paid up their subscriptions a year in advance, left 37 columns of advertising to run t. f. and told the editor not to pay any attention to foolish stories. Now Editor Remsburg of the Kansas wants a stenographer to locate in Potter.

"Stranger Than Fiction."

Tit-Bits. "That's a smart thing I've done," said the doctor to his assistant. "What's that, doctor?" "I have put my signature in the column 'cause of death' in this death certificate."

Celebrated Its 3rd Anniversary

Chalmers Memorial Church the Youngest Congregation in The City Observes Third Anniversary of its Founding With Appropriate Exercises

Chalmers Memorial congregation celebrated its third anniversary yesterday morning at 11 o'clock. The closing year showed that it had been one of continued growth and development on the part of the organization.

The meeting was presided over by Elder S. W. Dandridge and a written report was presented to the congregation from the Ladies' Missionary Society, the Y. P. C. U., the Junior Missionary Society, the Sabbath school secretaries, the board of trustees and the sessional board. There are thirty-four members added to the church roll during the past year and fifty-one to the Sabbath school department.

One of the most vital matters affecting the life of the congregation was the acceptance on the part of Robert Ervin Hough of the permanent pastorate of this congregation. On the evening of October 4, an unanimous call had been extended Rev. Hough and it was most gratifying to his people to learn that he had agreed to assume charge of the work.

This congregation while one of the youngest in the Associate Refor Synod of the South, perhaps, has enjoyed the most rapid growth and development of any in the history of the church. It has one of the most handsome as well as the best equipped plants in the synod; has increased its membership something over 800 per cent; erected a building at the cost of \$25,000 and is partially out of debt; becomes self-sustaining the beginning of this year.

New officers were elected for the ensuing year. Mr. J. W. McClure was added to the sessional board and Messrs. H. D. Kirkpatrick, W. M. Beattie, F. L. Sloan, W. J. Smith, A. R. Biales, W. M. Sellers and Dr. A. A. Barron were re-elected to the trustee board, and Mr. M. G. Kirkpatrick was an additional trustee.

Bible School—Mr. L. M. McAllister was re-elected superintendent and E. C. Barker, assistant superintendent; F. L. Sloan, treasurer, and J. Lloyd Ransom, secretary.

Primary Department—Mrs. Jessie McDonald, superintendent. Miss Agnes Chalmers, assistant superintendent; F. L. Sloan, treasurer and Mrs. T. L. Kirkpatrick, secretary.

Cradle Roll—Mrs. T. L. Kirkpatrick, superintendent.

Bronchitis Conquered. "I had a severe attack of La Grippe. It left me with bronchitis and catarrh of my throat. I became quite deaf in one ear so I could not hear a watch tick. I commenced using your HYOMEI and inhaler and soon got relief, and believe that it saved my life. I have recommended it to many. I am over seventy years old, I have told several prominent doctors what it did for me." Wm. H. Mowder, Washington, N. J., R. F. D. March 16, 1911.

For catarrh, asthma, bronchitis, coughs, colds and catarrhal deafness HYOMEI is guaranteed by R. H. Jordan & Co. Complete outfit, including inhaler and bottle HYOMEI \$1.00, separate bottles HYOMEI if afterwards needed 50 cents.

Misery Either Way. (Baltimore Star.) Debutante Daughter—Shall I marry the poor young man whom I love or the rich old banker who does on me? Worldly Mother—Better be miserable with money than without it.

Self-help is a good thing, but few men have to be taught to help themselves.

She Didn't Want to Go Hospital is Advised as Only Relief From Long Illness, But Mrs. Change Stays At Home

Collins, Miss.—In an interesting letter from this place, Mrs. Delphina Chance writes as follows: "I had suffered from womanly troubles, and finally I took down with a fever. We had five different doctors, but it seemed that I could not get any better. The doctors said they had done all they could to help me, and advised me to go to the hospital.

I did not want to go, and I decided I would try Cardui. After I began to take it, I got better every day, and now I can take care of my baby, and do all my housework, feel as well as I ever did in my life.

When I think how long my fever had lasted, and that nothing helped me, I can't begin to say enough for this great remedy. We spent nearly all we had for doctors, but they gave me no relief.

I am thankful there is a remedy for woman troubles that will not fail. Cardui will surely do as much for you as for the writer of the above letter, if you will only give it a fair trial.

Pure, safe, reliable, gentle—Cardui is the ideal medicinal tonic for weak, sick women. Try it.
