Cards of Thanks, communications espousing the cause of a private enterprise of a political candidate and like matter, will be charged for at the rate of five cents e lize There will be no deviation from this rule.

MEN AS ASSETS.

most important business city in the just as good as those who are building Atlanta is destined to become the south. During the past few years its a great city at Greenville. growth has been little short of phenomenal. In population it is expanding more rapidly than almost any city south of the Mason and Dixon line. At-lanta is becoming a manufacturing when a dollar is asked to promote ter speaking only Hebrew and the headquarters. Almost every variety known in the category of products is made in Atlanta. It is building skyscrapers. It is attracting capital from all quarters of the globe. The people have their eyes on Atlanta. It is doing things, and doing them on a big scale. Atlanta is the one southern city which has made good in the broadest sense of the word.

And why? Atlanta has no peculiar natural advantage which has made possible its enormous development. It is not in the center of any great mining territory. It is not favored by water. It is even further inland than Charlotte. Its chief advantage from

it is a railroad center. But that did greatest assets. Atlanta's one, and which have done nothing.
