Thanksgiving Table Linens

Do not forget a new Table Cloth and Napkins when planning your Thanksgiving dinner.

Never has our stock of table linens been so complete as now. With our wide range of prices and varied assortment of patterns, you cannot fail to find something to please you. Our linens are selected for their durability, as well as for beauty of appearance. The secret of the great wearing quality of our linens is they are grass-bleached in the old fashioned way by the rays of the sun instead of by the use of injurious chemicals.

We mention a few of our leaders which are positively the best that can be produced for the price
