Atlanta, Nov. 27 .- A fine setter dog, named Max, was arrested by Deputy Sheriff J. W. Chambers yesterday afternoon and imprisoned in the Fulton county jail. Today Max is the most distinguished and best treated prisoner the county boasts. Not only are all the deputies his friends but the human prisoners, white and black, have taken a great fancy to him. Max is under arrest because the law

Welcome Words To Women

Dr. Pierce's Favorite Prescription

for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle-wrapper. Is this not a significant fact worthy of careful consideration?

Women use Dr. Pierce's Favorite Prescription in preference to all other advocated medicines sold by druggists for their peculiar weaknesses and ailments because it is
