Rosin firm; F 6.60a6.65; G 6.62 gate the governor's powers to enforce and take in payment calves or veals anti-saloon laws and to report what sired by them. In this way a farmer legislation is needed to make the Jao. A. Watson & Co., Selling Agents. present prohibition laws effective.

New York Stock Market

New York, Dec. 14 .- (Wall Street)-

Enthusiasm manifested in steel and copper groups carried up the whole market temporarily but when U. S. 8.88 for May, sellers semed to be less steel began to be supplied freely prices aggressive than earlier in the week and the marwet held within a point or up to 68 and then fell back steadily two of the best.

Close New York Spots.

| Market temporarily but when the supplied freely prices in the said descended to 48 5-8.

Steel began to be supplied freely prices in the said descended to 48 5-8.

Foreign condition statements had a depressing effect on provisions. iFrst conditions the said of the Close New York Spots.

New York, Dec. 14.—Cotton spot closed quiet, 25 points higher; middling uplands 9.45; middling guif Union Pacific falling to below yes-tibs.

Hard 19,300 shares sold at 67 3-8. On the reaction some of the leading railroad stocks receded a point or more with Union Pacific falling to below yes-tibs.

Larger receipts northwest counted against wheat. The close was steady

Further heavy buying, of United States Steel stimulated the market for a time this morning, although the movement was not of long duration. The steel shares reached the highest figure since September. A large part of the buying was attributed to the demand from the short interest. Selling pressure increased toward noon. U. S, Steel fell to 66 3-4.

Bonds irregular. The tone of the whole market became better in the afternoon with business showing a marked increase on the recovery. Louisville & Nash-ville went off 2 5-5 in short order but later made up half of its loss.

Profit taking sales on the announcement that American Agricultural tures opened steady, unchanged to 2 per cent dividend basis cancelled most veal steady, 50 to 60 lb. weights 7a points up compared with yesterday's of its forenoon advance. Observations taken at 8 a. m. 75th meridian time. Isobars or continuous lines; pass through points of equal air pressure. Isotherms, or dotted lines, pass through points of equal temperature; they will be drawn only for zero, freezing, 90 degrees and 100 degrees. Symbols indicate state of weather: O clear; O partly cloudy; O cloudy B rain; O snow; O report missing. Arrows fly with the wind. First figure, minimum temperature for past 12 hours: second, 24-hour rainfall, if it equals, 01 inch; third, wind velocity of 10 miles per hour or more.

Weather Conditions.

Two areas of high pressure appear in the map today, one over the Middle tlantic coast, and another over the entral Pacific states, with a ridge of igh pressure across the country from ast to west, connecting the two. A onsequent fall in temperature has ccurred over these sections. Over the Northwestern states is a barometric depression, with cloudiness and somewhat warmer weather. Over the ower Mississippi valley is another low, his one being accompanied by cloudiiess and unsettled weather over the outh and southeast, and rain over the tates bordering on the west Gulf and ower Mississippi river. Unsettled weather conditions are likely to coninue in this vicinity, with rain tonight ind probably Friday.

O. O. ATTO, Observer.

Louisiana, tonight and Friday unsettled, rain tonight or Friday; light east

East Texas, tonight and Friday un-settled, rain tonight or Friday; light to moderate north winds on the coast. West Texas, tonight and Friday unsettled, rain in south and rain or snow in north portion tonight or Friday.

Mississippi, local rain tonight, colder in east portion; Friday probably

Florida, local rains tonight and Friday; moderate northeast to east winds. Georgia, rain tonight and Friday. Alabama, rain tonight; Frida fair. South Carolina:—Rain tonight and probably Friday; moderate northeasterly winds.
