18; Sept. 9.20a21; Oct. 9.26 bid; Nov.

New Orleans, Dec. 20.-Cotton futures opened steady at a decline of 1 to6 points on the bearish news of the census bureau report on ginning to December 13. The figures, 13,759,652 bales, were practicaly as high as the highest forecast. That mort selling and a greater decline did not resule was due to the approaching holidays, which restricted trading and to bad dire service owing to damage by last night's storm. A the end of the first half hour of business prices were 5 to 6 points under yesterday's close.

On the decline determined support was offered the market by the bull side. It was the bossip of the exchange that spot houses were buying and the bull leaders were buying every point was being maintained. The December than yesterday's New York closing. line was gradually recovered and a net i rolden one-of securing for herself advance established and on this ad-Xmas gift that will make her happy vance very little profit taking was done by the long side. The comment of the Amalgamated Copper. The close was trade on the census figures was to the effect that the government had again underestimated the total yield but this With the Interurban and the Norfolk had little effect on the course of pric-Southern to start off the new year es.
