

Esquire's CLUB & CAMPUS FASHIONS

By CHIP TOLBERT
ESQUIRE'S FASHION EDITOR

NASSAU, ANYONE? No doubt T.S. Eliot wasn't thinking of the Caribbean when he labeled April the cruelest month—not by a long shot. There's Bermuda, sitting like "an emerald in a sapphire sea;" there's Ft. Lauderdale, where the girls are and where the boys follow after. On the West Coast, there's La Jolla, or for the way out swingers, Newport Beach. And if you really want to get away from it all, there's Mexico City. But whether you find your pipe-dream under a volcano or under a swaying palm, remember to play it safe. Take along at least one dark suit, a lightweight polyester and wool or a cotton blend. You never know when you might be invited up to the Governor's mansion for drinks on the patio.

FOR THAT SMART, young millionaire look, you couldn't do better than select your dress-up resort wear in Navy blue. Dark gray's okay, and olive will do, but royal Navy has a rich, crisp look college men like. And, incidentally, there's no time like the present to look for a Permanent Press suit. It'll keep the wrinkles out as Summer comes sailing in.

WEAR WITH IT, a white or pale tone button down shirt. It may be striped (and here the color scheme of things is getting bolder and brighter every day), or a solid color. Best bets: pale blue, pale lemon, pink, or a creamy tan shade. The new Permanent Press dress shirts are great for travel for obvious reasons: you wash them out at night, and the next morning, without ironing (or puckered seams) they're back in perfect shape. Take along a couple of ties: a bright, bold paisley, a repp stripe, and make sure they sport the new, fashion-right, wider widths.

MAKE THE CASUAL SCENE in a Madras or polyester/cotton seersucker sport jacket. Here, your color and pattern choice may be as wild as your taste permits. You'll need a pair of dark, medium, or light gray dress slacks, and your choice should depend on coordination with the jacket. Jeans or chinos, three or four pairs, low-rise, hip-hugging, and tapered in faded blue or a wheat color, are mandatory. Make sure they have built-in wash-and-wear capabilities. Ditto with your sport shirts. Select three or four in the popular Henley style in lightweight woven fabrics, and a couple of cotton/polyester knits.

ON THE BEACH let your imagination drift around the sand castles. But before you make the beach scene, be sure you're equipped with several new swim shorts. Big, splashy Hawaiian surfer trunks (usually available with matching shirts), and the new Basketball swim short styles will be among the most popular this season. Most young men prefer them in trim, athletic, form-fitting models, and the word for surfing '66 is COLOR. Bright, burning reds, vivid yellows, flashy greens, and wild prints are the top contenders.

THE TWILIGHT CHILL calls for a couple of colorful sweatshirts, and a bulky, loose-knit "Poor Boy" sweater. Sneakers and sandals are a must, of course, but even more imperative are shades and a good suntan lotion. Slip a pair of black loafers into your suitcase, zip it up, check out your reservations, and be off!

NEXT MONTH, we'll survey Spring and Summer fashions in depth. Meanwhile, give our regards to the gang, and make every moment count. Smooth sailing...
